### SPICE SONGS

*\* Recorded by the first line-up of Spice and released as a single in 1968, included on A TIME OF REVELATION compilation.*

*\*\* Recorded in late 1969 by Spice. Some of the tracks recorded before Ken Hensley joined the group made it to the first Uriah Heep album but these remained in the vaults until they were released on THE LANSDOWNE TAPES compilation in 1993.*

### WHAT ABOUT THE MUSIC \*

I don't mind talking, girl  
But there's a time and place  
Right now we're alone, yeah  
But it's just gone to waste

Look up and see the moon  
Slide down the clouds  
The radio is playing softly now  
So if you talk above a wisdom  
It's too loud

What about the music, babe  
What about the moon  
It's a shame if we talk music  
We'll be leaving soon

You keep on talking, girl  
We can talk on the phone  
We should be kissing, babe  
Now that we're alone

Though when they're singing  
Love songs to the moon  
You know it's love  
That makes the flowers bloom  
But you keep saying things you  
Could tell me in a crowded room

What about the music, yeah  
What about the moon, babe  
It's a shame if we talk music  
We'll be leaving soon

What about the music  
Sweet soul music  
What about the moon  
Hey, what about the moon, babe  
We are loving and I can't lose it  
We'll be leaving soon

What about the music, yeah  
What about the moon  
I said it's a shame if we talk music  
We'll be leaving soon

What about the music, yeah  
What about the moon  
It's a shame if we talk music  
We'll be leaving soon

What about the music, yeah  
What about the moon  
It's a shame if we talk music  
We'll be leaving soon

What about the music  
What about the moon  
It's a shame if we talk music  
We'll be leaving soon

### IN LOVE \*

Whether she'll come, I could not say  
We made the date just the other day  
Well, here she comes  
All dressed in white  
She looks so nice, she'll last the night

In love  
Perhaps it will last until dawn  
In love  
Or untill that we two are one  
In love  
Oh, I'm old and she is so young  
In love, in love, in love

I asked her if she'd come out again  
She said she likes such mature men  
Yes, she did  
She says that I'm so nice and strong  
I'm getting through, it won't be long

In love  
With her hands caressing my face  
In love  
I'm so glad I've got my own place  
In love  
She must be of very bad taste  
In love, in love, in love

There must come a time even for me  
But all this happens so suddenly  
So quick  
It's very hard for me to say  
But can this be the only way

In love  
I can't think of anyone who  
In love  
Could make me feel like I do  
In love  
We'll start our lives anew  
In love, in love, in love

In love ...

### CELEBRATE \*\*

Celebrate, celebrate  
Dance to the music ...  
Slippin' away, sittin' on a pillow  
Waitin' for night to fall  
Girl in a dream, sittin' on a pillow  
This is the night  
We're going to the celebrity ball

Satin and lace, isn't it a pity  
Didn't find time to call, ready or not  
Gonna make it to the city  
This is the night  
We're going to the celebrity ball

Dress up tonight, why be lonely  
You'll stay at home and you'll be alone  
So why be lonely

Celebrate, celebrate  
Dance to the music ...

Sittin' alone, sittin' on a pillow  
Waitin' to climb the wall  
Maybe tonight  
Wherever your dream goes  
Woman alive  
We're going to the celebrity ball

Dress up tonight, why be lonely  
You'll stay at home and you'll be alone  
So why be lonely

Celebrate, celebrate  
Dance to the music ...

### SCHOOLGIRL \*\*

Everyone said that you'd always  
Been left but you got there  
Here we are now when  
The rest of the show are not there  
Nobody knows by the look of  
Your clothes you're a schoolgirl  
Who would've guessed  
By the way that you're dressed  
You're a schoolgirl

You said on my lap that  
I wasn't the right kind of person  
What I wanna know is that  
Who in the show I am worse than  
Who would've guessed  
By the way that you're dressed  
You're a schoolgirl  
Nobody knows by the look of  
Your clothes you're a schoolgirl  
Oh, schoolgirl

Looking for something  
That you can't have ...

You said on my lap that  
I wasn't the right kind of person  
What I wanna know is that  
Who in the show I am worse than  
But who would've guessed  
By the way that you're dressed  
You're a schoolgirl  
And nobody knows by the look of  
Your clothes you're a schoolgirl  
Oh, schoolgirl

Looking for something  
That you can't have ...

## URIAH HEEP LYRICS 1968 - 1979

Listen!  
Everyone said that you'd always  
Been left but you got there  
Here we are now when  
The rest of the show are not there  
Nobody knows by the look of  
Your clothes you're a schoolgirl  
Who would've guessed  
By the way that you're dressed  
You're a schoolgirl, oh, schoolgirl

### MAGIC LANTERN \*\*

When you look inside my magic lantern  
All the world is yet unseen  
Try to gaze into the yellow glowing  
To get a reflection of me

In a land of make believe and magic  
You can be just anything you feel  
You think that what you're in is a dream  
But know that the lantern is viewing

View the magic lantern  
Take a trip around the world  
View the magic lantern  
There's a thousand mysteries unfurled  
And I know one of them

I remember your face  
Can't remember the place  
Here on our own, living alone

You can dream that  
You're a man of power  
Ready to be happy with your gold  
Without love your mind is going sour  
Money's no good when you're old

View the magic lantern  
You can have the sky above  
Yeah, the magic lantern  
You'll buy everything but love  
Everything but love

### ASTRANAZA \*\*

Hey girl, you're the one  
That got me started  
And I bet you'll be  
The one to get us parted  
In the beginning, in the beginning  
You were the only one  
In the beginning, in the beginning  
Now everybody's had their fun

How I'm wishing we could live together  
Ooh, but the answer  
In your eyes is never  
In the beginning, in the beginning  
You were the only one  
In the beginning, in the beginning  
Everybody's had their fun

Well, you and me  
And we know what we're saying  
To the rest of them  
It's a game we're playing  
In the beginning, in the beginning  
We were the only one  
In the beginning, in the beginning  
Everybody else will come

How I'm wishing we could live together  
Ooh, but the answer  
In your eyes is never, never  
In the beginning, in the beginning  
You were the only one  
In the beginning, in the beginning  
Or the mother of my son

In the beginning, in the beginning  
You were the only one  
In the beginning, in the beginning  
Everybody had their fun

How I'm wishing we could live together  
But the answer in your eyes is never  
In the beginning, in the beginning  
You were the only one  
In the beginning, in the beginning  
Everybody had their fun

You and me  
And we know what we're saying  
To the rest of them  
It's a game we're playing  
In the beginning, in the beginning  
We were the only one  
In the beginning, in the beginning  
Or the mother of my son

In the beginning, in the beginning  
You were the only one  
In the beginning, in the beginning  
Everybody had their fun

Like Astranaza  
Astranaza ...

### BORN IN A TRUNK \*\*

You were born in a trunk  
Everyone talkin' about you  
You were born in a trunk  
Where would they be without you

You better move off the rails  
People begin to look subways  
You better move off the rails  
You won't even listen to my way

I'm livin' in shame  
People say I don't matter  
I'm livin' in shame

You were born in a trunk  
Everyone talkin' about you  
You were born in a trunk  
Where would they be without you

You better move off the rails  
People begin to look subways  
You better move off the rails  
You won't even listen to my way

### I WANT YOU BABE \*\*

Oh, I want you babe  
I want you all to myself  
And now and then I'm gonna hold you  
Tell you that I'm gonna love you  
Come with me and I will show you  
In a while I'll get to know you

Oh, you know I needed you woman  
I needed you, I needed you  
Every day and night, right  
Now and then I'm gonna hold you  
Tell you that I'm gonna love you  
Come with me and I will show you  
In a while I'll get to know you  
Yeah, yeah, oh

Well, you know what  
The secret is I guess  
And you think you know  
Who your lover's wife is

So you better stop  
That thing you're doing  
Baby, you're driving me, driving me  
Driving me to my ruins  
But I, I want you babe

When I was a young man  
Always trying to say hello babe  
But you'd never know  
You live in want  
Never knowing that I existed  
Till my mind was twisted  
I was always trying, sometimes crying  
Oh, I needed you, needed you  
Needed you ...

Stop that thing that you're doing  
Baby, you're driving me, driving me  
Driving me to my ruins  
Oh, I want you babe

I needed you, I needed you  
Every single day of my entire life  
And everytime I tried  
Someone else would come along  
There it went again

But now and then I'm gonna hold you  
Tell you that I'm gonna love you  
Come with me and I will show you  
In a while I'll get to know you  
You and me we're gonna make it  
Come with me, we mustn't break it

## URIAH HEEP LYRICS 1968 - 1979

### VERY 'EAVY ... VERY 'UMBLE / URIAH HEEP 1970

#### GYPSY

I was only seventeen  
I fell in love with a gypsy queen  
She told me: "Hold on"  
Her father was the leading man  
Said: "You're not welcome on our land"  
And then as a foe, he told me to go

He took me to a little shack  
And put a whip across my back  
Then told her: "Leave me"  
I was out for quite a time  
Came back with her on my mind  
Sweet little girl, she means all the world

Oh, I want my gypsy queen  
Will she still be torn between  
Her father and lover  
One day I will go to him  
Strong enough to fight and win  
The kind of a man that he'll understand

#### WALKING IN YOUR SHADOW

I'm walking in your shadow  
Ever since you went away  
And the clock on the wall  
Really hasn't very much to say  
Oh, you left me bleeding  
And left me needing you

In so very many ways  
I was trying to attract your mind  
But I'm the lonely one  
'Cause I've had to leave it all behind

Lied and deceiving  
Why should I be grieving you

Ride on a golden wave  
Set sail for the sun  
Make every cloud your slave  
Don't be alone

When I get back from my trip  
Of the ocean wide  
Still walking in your shadow  
And still looking for  
Somewhere to hide

If I am worse off  
It's all because of you  
It's all because of you

#### COME AWAY MELINDA

Daddy, daddy, come and look  
See what I have found  
A little ways away from here  
While digging in the ground

Come away Melinda  
Come in and close the door  
It's nothing, just a picture-book  
They had before the war

Daddy, daddy, come and see  
Daddy, come and look  
Why, there's four or five  
Little Melinda girls  
Inside my picture book

Come away Melinda  
Come in and close the door  
There were lots of little girls like you  
Before they had the war

Oh Daddy, daddy, come and see  
Daddy, hurry do  
Why, there's someone in a pretty dress  
She's all grown up like you  
Won't you tell me why

Come away Melinda  
Come in and close the door  
That someone is your Mummy  
You had before the war

Daddy, daddy, tell me if you can  
Why can't things be the way they were  
Before the war began

Come away Melinda  
Come in and close the door  
The answer lies in yesterday  
Before they had the war

#### LUCY BLUES

*Not included on the North American  
versions of the first album.*

Well, the very first time  
I saw you darling  
Not one single word  
Would come to my lips

Yes, the very first time  
I saw you darling  
Not one single word  
Would come to my lips

You see, I was so afraid  
You wouldn't love me  
I wanna tell you right now  
I was frightened right down  
To my fingertips

So baby, when you went away  
That unlucky day last September  
I was like a little lost boy  
In the wilderness  
Baby baby baby ...  
When you went away  
I was like a little lost boy  
In the wilderness

And I've just been sitting here  
Thinking of everybody I've ever known  
Well, you know I still love you the best  
Yeah, the best

#### DREAMMARE

Grinning demons, smiling sideways  
Laughing in my face  
Here within my troubled sleep  
There's such a lonely place  
Running fast but never moving  
I can't get away  
Strange but realistic objects  
Making me their prey

Then it's gone as fast as it came  
Evil dream  
Changing like the sun turn to rain  
It would seem

La la la la ...

Dining with the gods of beauty  
On a distant shore  
Tasting fruits of untold sweetness  
Never seen before  
Dancing stars with crystal voices  
Beckon with their eyes  
Unicorn of many colours  
Rides to paradise

Then it's gone as fast as it came  
Peaceful scene  
Changing like the sun turns to rain  
It would seem

La la la la ...

Sleepless nights that last a lifetime  
Crucify my head  
Dreams of peace and then disaster  
Wish that I were dead  
Looking for the end of darkness  
Seeking out the day  
For escape with speed unthought of  
Bearing me away

Then it's gone as fast as it came  
Peaceful scene  
Changing like the sun turns to rain  
It would seem

Come into my dream

## URIAH HEEP LYRICS 1968 - 1979

### REAL TURNED ON

Girl, before you go now  
There's one thing I wanted to do  
That's get you to come back  
Because I wanna make love to you

Got me real turned on  
Yes, you have

But there's something in your eyes  
Telling me you have to go  
Something in your eyes  
But you're trying not to let it show

Got me real turned on

Next time you come over  
I'll buy you a bottle of wine  
Just take a little drink  
And everything will turn out fine  
Yes, it will

Whoa baby, do you know  
What I've got in mind  
Can you guess what it is  
Or do you want it on the line

Got me real turned  
Got me real turned  
Got me real turned  
Got me real turned on

### I'LL KEEP ON TRYING

You came to me with all of your lies  
And I was taken in so well  
It took me quite a time  
To see the disguise  
You made it very hard to tell  
Now here you are again  
But you're begging in vain  
'Cause I really don't want to know

You came to me  
With a little bit of charm  
You had me down on my knees  
I didn't really think there was any harm  
But all you ever did was tease  
You took all the love  
That I ever had to give  
There was nothing left to show

Well, I remember everything  
Everything around me  
The long dark of winter  
Till the breath of spring  
Came close enough to drown me

So I'm gonna keep on trying  
Till I feel like dying  
And I lay down and pass away  
But that won't happen till tomorrow  
And by then I can borrow another day  
So I'm gonna keep on trying

### WAKE UP (Set Your Sights)

Wake up, set your sights  
For never shall we fail  
Stand up for your rights  
And justice will prevail

You're listening through endless nights  
And decision is your goal  
So wake up, set your sights  
Oh, the time is right for your role  
Yeah, for your role

Wake up, wake up, wake up  
Set your sights  
Never, never, never shall we fail  
Stand up, stand up, stand up  
For your rights  
Justice, justice, justice will prevail

There in the morning  
Flying over the hills  
While men are yawning  
They are crushed by our wills  
Never have I witnessed people in fear  
Not like today, not in many a year

Go kill another  
There are more close behind  
"No" screams a mother  
"Are you out of your mind"  
Though they are shattered  
They just don't seem to yield  
Bodies are scattered  
In all parts of the field

Oh no, did I tell you  
What would happen if you tried  
"Oh god, stop this killing!"  
Said a young man before he died

### BIRD OF PREY (original version)

*B-side of 'Gypsy' single in Europe, appeared also on North American versions of the first album.*

I can see that look that says beware  
Try to move in closer if you dare  
So I will sit and play my waiting game  
And for a while I know  
She'll do the same  
Oh no!

Watches like an eagle from its tree  
And like a bird of prey she captures me  
But I am older and more wise than you  
Bird of prey, straight into me you flew  
Oh no!

Now every time I tried to set her free  
I'm glad to say she comes  
Right back to me  
But if I knew she didn't want to stay  
I wouldn't try to keep that  
Lovely bird of prey

### SALISBURY 1971

#### BIRD OF PREY

*Included on the North American versions of the first album replacing 'Lucy Blues', elsewhere in the world on SALISBURY.*

I can see that look that says beware  
Try to move in closer if you dare  
So I must sit and play my waiting game  
And for a while I know  
She'll do the same  
Fly away

Watches like an eagle from its eyrie  
And like a bird of prey she captures me  
But I am older and more wise than you  
Bird of prey, straight into me you flew  
Fly away

Now every time I tried to set her free  
I'm glad to say she comes  
Right back to me  
But if I knew she didn't want to stay  
I wouldn't try to keep that  
Lovely bird of prey

#### THE PARK

Let me walk a while alone  
Among the sacred rocks and stones  
Let me look in vain belief  
Upon the beauty of each leaf

There is green in every blade  
The tree tops lean providing shade  
Maypoles spin in happy sound  
All nature's strength around

And there's a horse that feels no pain  
Its iron strength to take the strain  
Children rock it to and fro  
And gaily drink its colour-glow

Above, the sky, devoid of cloud  
Thinks not to cast a thunder shroud  
Upon this place so full of joy  
A field of gold of loves employ

So, why my heavy heart? You say  
When tears would stain the sights so gay  
My brother's dreams once here did soar  
Until he died at the hand of needless war

#### TIME TO LIVE

Let me see the sunshine  
Let me feel the rain  
Let me go where I wanna go  
I wanna smell the flowers  
See the dawn again  
Find those friends I used to know

## URIAH HEEP LYRICS 1968 - 1979

Well, I spent twenty long years  
In a dirty old prison cell  
I never saw the light of day  
If you could understand  
Oh, that kind of living hell  
That's the price I have to pay  
That's the price I have to pay

They say I killed a man  
But I never told them why  
So you can guess  
What I've been through  
So for twenty long years  
I've been thinking of that other guy  
And what I saw him do to you  
What I saw him do to you

Listen here  
So if tomorrow comes  
And I walk outside that door  
Try to understand the strain  
But if you smile that smile  
I know I couldn't ask for more  
I know I'd do it all again, yes I would  
I know I'd do it all again

### LADY IN BLACK

She came to me one morning  
One lonely Sunday morning  
Her long hair flowing  
In the midwinter wind  
I know not how she found me  
For in darkness I was walking  
And destruction lay around me  
From a fight I could not win  
Ah ah ah ...

She asked me name my foe then  
I said the need within some men  
To fight and kill their brothers  
Without thought of love or God  
And I begged her give me horses  
To trample down my enemies  
So eager was my passion  
To devour this waste of life  
Ah ah ah ...

But she wouldn't think of battle that  
Reduces men to animals  
So easy to begin  
And yet impossible to end  
For she's the mother of all men  
Who counselled me so wisely then  
I feared to walk alone again  
And asked if she would stay  
Ah ah ah ...

Oh lady lend your hand outright  
And let me rest here at your side  
Have faith and trust in peace, she said  
And filled my heart with life  
There is no strength in numbers  
Have no such misconception  
But when you need me  
Be assured I won't be far away  
Ah ah ah ...

Thus having spoke she turned away  
And though I found no words to say  
I stood and watched until I saw  
Her black coat disappear  
My labour is no easier  
But now I know I'm not alone  
I find new heart each time  
I think upon that windy day

And if one day she comes to you  
Drink deeply from her words so wise  
Take courage from her as your prize  
And say hello from me  
Ah ah ah ...

### HIGH PRIESTESS

You, who brought  
The sunshine to my eyes  
You, who wondered  
Through my sad disguise  
And I have a love  
That cannot die ... for you

High priestess of my heart  
Tell me that we won't part

Then let's get together in the sky  
To leave the lonely world  
To wonder why  
For we have a love  
We can't deny ... so true

### SALISBURY

Somewhere in your eyes  
That very special glow  
Something drawing me  
To where I do not know  
I never really thought  
That I would lose myself  
Now I'm going faster  
Than anybody else

You move without a sound  
And touch me with your hand  
Just like the rain that fondles  
Every grain of sand  
This thing we're gonna do  
It's just for you and me  
I'm gonna make it good  
Good as it can be

Your kiss is sweeter now  
Your breath is getting warm  
We must take our time  
And last it through til dawn  
I wonder will it be  
Oh, I expect it to  
There have been other girls  
No-one else like you

I feel a power here  
I never felt before  
And I begin to see  
What drives us to want more  
Oh, girl of all my dreams  
Please tell me if I'm wrong  
Because I've been blue  
But we belong

As time passed and all too fast  
I just knew we couldn't last  
And I guessed that the end  
Was near at hand  
Though we tried our love inside  
It just crumpled up and died  
What went wrong  
I will never understand

You tell me why  
Alone again  
How could you leave me alone again  
I don't want to be alone again

There's a line in a rhyme  
I was going to send to you  
It says: "All that is to be will surely be"  
So oh, though you had to go  
'Cause you needed someone new  
Is there still a chance  
That you'll come back to me  
I want you back you see

Alone again  
How could you leave me alone again  
How could you leave me alone again  
I don't wanna be alone again

Somewhere in your eyes  
That very special glow  
Something drawing me  
To where I do not know  
I never really thought  
That I would lose myself  
But now I'm going faster  
Than anybody else

You move without a sound  
And touch me with your hand  
Just like the waves that fondle  
Every little grain of sand  
This thing we're gonna do  
It's just for you and me  
And I'm gonna make it good  
Just you wait and see

## URIAH HEEP LYRICS 1968 - 1979

Freed of empty faces  
Give me your money  
Make my life sunny for a day  
Road that leads to nowhere  
Please stop your crying  
I ain't fit for dying this way

Go steal another with your eye  
Go try some other heartless lie

Land of hopeless speaking  
Bringing back the moon  
Don't play your silly games with me  
Oh, war of wasted daydream  
What is your need  
I'm gonna bleed until you kill me

You've lost all sight of your direction  
You're only looking for the next one  
The next one to kill

Ashes of destruction spread out so far  
Blackened others crying over me  
See a one time city, now just a scar  
Tears of the flower man fill the sea

Give me a chance to fly away  
There's nothing here for me today  
Today

Simon the bullet freak

### HERE AM I

*Out-take, released for the first time on  
THE LANSDOWNE TAPES compilation.  
Included as a bonus track on remastered  
SALISBURY cd.*

I sit in my sunny chair  
With my head held low  
I know the reason I'm dreaming  
It's really been fun  
But where is there left to go  
Save to give my life a new meaning

And if by chance you'd come my way  
I'll have to say  
Here am I, give me love  
Here am I, give me love

How was I to know  
Your heart was unsatisfied  
When you never troubled to tell me  
No wish that you made to me  
Ever was denied  
I played it just the way that it should be

But then you turned and walked away  
I have to say  
Here am I, give me love  
Here am I, give me love

Here am I, give me lov

I imagine I must sit here  
Till the winter comes  
And just watch the days growing shorter  
To gather in dust won't go  
Till my thinking's done  
And I walk from this troubled water

By then my need won't be so bad  
And I'll gladly say  
Here am I, give me love  
Here am I, give me love ...

### LOOK AT YOURSELF 1971

#### LOOK AT YOURSELF

I see you running  
Don't know what you're running from  
Nobody's coming  
What'd you do that was so wrong

Look back and turn back  
Look at yourself  
Don't be afraid, just look at yourself

If you need assistance  
Or if all you need is love  
There's no point in hiding  
Tell me what you're frightened of

You've got a friend, just  
Look at yourself  
Don't be afraid, just look at yourself

#### I WANNA BE FREE

As I wake up everyday  
With no new songs to play  
Feeling like I ought to  
Pack my bag and run  
My imagination flies  
To some other sunny skies  
Where I felt so good  
And everything was done

And my time was my own  
And my heart felt so free

I don't mind a little rain  
But it doesn't seem the same  
When the clouds shut out  
Your beauty from my eyes  
There's a storm inside my head  
And I know it doesn't lead  
To a clearer day  
When nobody will cry

I can't stand here alone  
And I need to be free

So bring fire and bring steel  
For you know the way I feel  
Bring a silver horse  
To carry me away  
I'm no stranger, I'm a friend  
And my pain will never end  
Till the world will let us  
Live our lives as one

And our time is our own  
And our hearts can be free

I wanna be free ...

### JULY MORNING

There I was on a July morning  
Looking for love  
With the strength  
Of a new day dawning  
And the beautiful sun

At the sound  
Of the first bird singing  
I was leaving for home  
With the storm  
And the night behind me  
And a road of my own

With the day came the resolution  
I'll be looking for you  
La la la ...

I was looking for love  
In the strangest places  
Wasn't a stone  
That I left unturned  
Must have tried more  
Than a thousand faces  
But not one was aware  
Of the fire that burned

In my heart, in my mind, in my soul  
La la la ...

There I was on a July morning  
I was looking for love  
With the strength  
Of a new day dawning  
And the beautiful sun

And at the sound  
Of the first bird singing  
I was leaving for home  
With the storm  
And the night behind me  
Yeah, and a road of my own

### TEARS IN MY EYES

I thought no-one could keep us  
From sharing the rest of our lives  
Like a fool I believed you were true  
And had no disguise

## URIAH HEEP LYRICS 1968 - 1979

There's a clear blue sky outside  
And the summer is fine  
But with tears in my eyes  
I'm no longer pretending you're mine

It's the same weary story  
Of a woman abusing her man  
So I have to forget you  
Though I'm not even sure if I can

### SHADOWS OF GRIEF

You're looking at me like I must be mad  
But I've been through all this before  
You'll kick and kick until I'm down  
So don't think you're  
Comin' past my door, oh no

You think that love is such a pain  
So the more it hurts, the more you laugh  
Just take it and shake it up and down  
Till you think you've had enough  
But you won't get enough of my love

If you want to carry on  
In the same old way  
Treating everyone like a piece of dirt  
Just take it and  
Break it and throw it away  
There won't be anyone left to hurt

North, South, East and West  
Wherever you go you'll find the same  
And the only way you'll ever learn  
Is to realize that you're to blame

### WHAT SHOULD BE DONE

So you think you found a way of living  
That prevents you losing any sleep  
Well, my friend, take this that I'm giving  
It's your piece of mind you oughta keep

You'll run into trouble for sure  
By living behind a locked door

Will you run the risk of being taunted  
By doing what you wanna do  
Or do you prefer to have  
Your whole life haunted  
By the ones who choose to care for you

Beware of their motives my friend  
Take care, you're still there at the end

Watch out for winter  
It'll bite you with cold  
Black spirits trying hard  
To bribe you with gold

Would you steal a nickel  
From a blind man  
Well right now, I do believe you would  
It's not the thought of you  
Doing it that hurts me  
It's the mind behind it what's no good

If this is your way  
I don't wanna know  
It's only so far I can go

I won't go no further  
Not for you or anyone  
I have my own ideas on  
What should be done

What should be done

### LOVE MACHINE

Lovely little lady  
You got me on the run  
You're a love machine  
And you say that I'm your gun  
But I don't care  
'Cause I've got to know

She said she were a loser  
The kind that came off worse  
So I had to try hard  
To satisfy your thirst  
But I don't care  
'Cause I've got to know

The only time she's happy  
Is when the bullets fly  
And she'll make you feel  
You're better than any other guy  
And I don't care  
'Cause I've got to know

Lovely little lady  
You got me on the run  
You're a love machine  
And I'm trying to be your gun  
And I don't care  
'Cause I've got to know

### ADDITIONAL SONGS:

#### WHAT'S WITHIN MY HEART

*Out-take, released for the first time on THE LANSDOWNE TAPES compilation. Included as a bonus track on remastered LOOK AT YOURSELF cd.*

Will I never see again  
The smiling faces of my friends  
Could it be they've gone completely  
And though thoughts will linger  
Sweetly in my heart

May I hear once more  
The bird calls my name  
May I be permitted just one friend  
To share my game

The one who doesn't give a damn  
For what I seem to be  
And really cares for what I am and  
What's within my heart

I believe the sun will shine  
And I know that given time  
The leaves will blow tumble and  
Cry upon the autumn stone below

And my heart grows tired each day  
As the sun grow cold  
Weary uninspired each day  
Til the story is told

You gave your love to one  
Who only wants  
What you seem to be  
And doesn't really care for you or  
What's within your heart

On my grave lay one black rose  
Do this for me but don't suppose  
Because I'm gone, my soul is dead  
For I'll be here in spirit  
And our love once more

There must be a heart somewhere  
In need of the love I have  
That will reach out in sincerity and  
Take my life in hand

Then I'll know it's not some one  
Who wants just what I seem to be  
The one who cares for what I am  
And what's within my heart

What's within my heart ...

### WHY (11.18 min version)

*Out-take, released for the first time on THE LANSDOWNE TAPES compilation. This version has slightly different lyrics than the single b-side version.*

Thought of no tomorrow  
The pain, tears and sorrow  
And you never told me why  
The way you cheated and mistreated  
You could never tell me why

But I'm gonna find out  
I'm gonna find out  
What's been messing up your mind  
Messing up your mind

## URIAH HEEP LYRICS 1968 - 1979

Is there any true reason  
Or anything I can explain  
Can't we talk about it baby  
Get together again  
You see I have the feeling  
That this isn't the end  
And I feel it knowing, on you I depend

I'm gonna find out  
Yeah, I'm gonna find out  
What has been messing up your mind

Perhaps it's best for us to stay together  
And try to live our lives as one  
And maybe we will find  
We're still together  
To watch the setting of the sun

### DEMONS AND WIZARDS 1972

#### THE WIZARD

He was the wizard of a thousand kings  
And I chanced to meet him  
One night wandering  
He told me tales and he drank my wine  
Me and my magic man  
Kinda feeling fine

He had a cloak of gold and eyes of fire  
And as he spoke, I felt a deep desire  
To free the world of its fear and pain  
And help the people to feel free again

Why don't we listen to  
The voices in our hearts  
'Cause then I know we'd find  
We're not so far apart  
Everybody's got to be happy  
Everyone should sing  
For we know the joy of life  
The peace that love can bring

So spoke the wizard  
In his mountain home  
The vision of his wisdom  
Means we'll never be alone  
And I will dream of my magic night  
And a million silver stars  
That guide me with their light

#### TRAVELLER IN TIME

Every day I have to look to the sun  
To see where it was that  
I have come from  
I have a feeling that  
There must be a time

When I'll get a chance to go home  
'Cause I'm so tired of being here alone  
But I'm just a traveller in time  
Trying so hard to pay for my crime

If I could go back  
The same way I got here  
And see the people that  
I once held so near  
I'd do my best to  
Find an answer for you

But first I must wait till I'm set free  
And I don't know  
How long that's gonna be  
'Cause I'm a man with  
A whole lot on his mind  
Just out there somewhere  
Travelling in time  
Travelling in time

I've tried for so long to find  
Some way of helping mankind

#### EASY LIVIN'

This is a thing I have  
Never known before  
It's called easy livin'  
This is a place I've  
Never seen before  
And I've been forgiven

Easy livin' and I've been forgiven  
Since you've taken  
Your place in my heart

Somewhere along the lonely road  
I had tried to find you  
Day after day on that windy road  
I had walked behind you

Easy livin' and I've been forgiven  
Since you've taken  
Your place in my heart

Waiting, watching  
Wishing my whole life away  
Dreaming, thinking  
Ready for my happy day  
And some easy livin'

#### POET'S JUSTICE

Cold winds and cloudy skies  
Turned to sweetness in her eyes  
Fantasies I realised  
Came to life to my surprise

Rain came and took her away  
Just when I thought she was here to stay  
Sun gone I was left high and dry  
Love came by and touched me  
And kissed me so long

Shine hard October moon  
Eagle take me to her soon  
Run swiftly silver stream  
Find my love or let me dream

Half of me is all of her  
I'd be much happier if I were whole  
All my words and wisdom fall  
The poet's justice leads me to my goal  
Leads me to my goal

#### CIRCLE OF HANDS

Circle of hands, cold spirits plan  
Searching my land for an enemy  
Came across love's sweet cost  
And in the face of beauty, evil was lost

Sky full of eyes, minds full of lies  
Black from their cold hearts  
Down to their graves  
Murdered the dawn  
Spreading their scorn  
Cursing the sun of which love was born

We must keep them away  
Or pretty soon we'll pay  
And count the cost in sorrow  
Sacrifice - the future has its price  
And today is only yesterday's tomorrow

Tomorrow ...

#### RAINBOW DEMON

There rides the rainbow demon  
On his horse of crimson fire  
Black shadows are following closely  
On the heels of his desire

Ridin' on in the mist of morning  
No one dared to stand in his way  
Possessed by some distant calling  
Riding on through night and day

Rainbow demon  
Pick up your heart and run  
Rainbow demon  
Lives for his sword and his gun

#### ALL MY LIFE

I had a little look for a minute today  
And I told there was something  
That I wanted to say

Just sitting there glowing  
With her red light on  
So I've gotta make fast  
And it shouldn't take long

## URIAH HEEP LYRICS 1968 - 1979

Maybe she will, maybe she won't  
We can get it so together  
If she doesn't say don't

I've never ever thought  
I was looking for a wife  
But I think I could love her  
For the rest of my life

I only took one 'cause  
I couldn't take two  
I wanna make love  
And it's gotta be you

Every little thing that  
I ever tried to say  
Is coming out right  
In my own kinda way

Take it, make it, it really feels fine  
She must be Lady Luck  
If she's gonna be mine

I will love you all my life

### PARADISE

I feel you trying  
Though in my heart I know you're lying  
And though your love for me is dying  
I see you crying

It's the pain of your secret heart  
Bringing you to tears,  
Filling you with fears  
For your mind and for your soul

I touch you softly now  
Borne on by hope  
Until the end somehow  
I am a man and I must keep my vow  
I must go on

But the wall of your secret heart  
Keeps my distance clear  
Helps my footsteps fall  
Back in line inside my mind

What's the use you turned me loose  
And left me here to cry  
Where's the love we talked about  
Where's my sunny sky

Secret hearts and sorry tales  
Will never help love grow  
Spread your wings my daunted soul  
The time has come to go

I will not be hurried down  
Or blackened by your lies  
I must go and find my dream  
And live in paradise

### THE SPELL

What do you think I am  
Do you think I'm dreaming  
Don't you know I know  
What it is you're scheming

Who d'you think gave you the right  
Hidden by the dead of night  
To take the world and  
Turn it upside down  
When it should be round

Seems I made it just in time  
To use my reason and my rhyme  
To save us from the evils of your mind

I will cast the spell  
Be sure I'll cast it well  
I will light a fire  
Kindled with desire

I'll fill you with fear  
So you know I'm here  
And I won't be treated like a fool

It's no good you pretending  
There'll be no happy ending  
I'm alive and darkness is my tool

But when the night is over  
And daytime steals your cover  
The goodness of the morning sun  
Will warm away what you have done  
And leave you cold

I have no need for moonlight  
You're wrong to trust in sunlight  
For I exist not just in storms  
But in life itself in so many forms  
To leave you cold

I will leave you now  
But you won't defeat me  
You had best beware  
When you come to meet me

Love and truth will follow me  
An army of reality  
Brought from every corner of the world

You will never break the spell  
I'll summon all the fires of hell  
And this is my advice  
For what it's worth

Let us not begin  
This fight we cannot win  
Be sure you're watching me  
'Cause all through your life  
Everyday and everynight  
You should know that  
I'll be watching you

### ADDITIONAL SONGS:

#### WHY (single b-side version)

*Released as a single b-side, included as a bonus track on remastered DEMONS AND WIZARDS cd. This version has slightly different lyrics than THE LANSDOWNE TAPES version.*

Thought of no tomorrow  
The pain, tears and sorrow  
And you never told me why  
The way you cheated and mistreated  
I could never ask you why

Well, I'm gonna find out  
I'm gonna find out  
What's been messing up your mind  
Messing up your mind

Well, I've been through some changes  
Now I'm leaving  
While me mind rearranges  
Why I'm grieving  
I don't mean that you hurt me  
Or deceived me  
For I know that you're there  
And you need me, you sure do  
But I hope you can't see how it is  
I can't stay any longer, I've got to go

Is there any true reason  
Or anything I can explain  
Can't we talk about it baby  
And get together again  
You see I have the feeling  
That this isn't the end  
And I feel knowing on you I depend  
I depend on you

I'm gonna find out, yes I am  
I'm gonna find out  
What it is that's been  
Messing up your mind

Well, I said that I love you  
And I need you  
Then it means I am yours  
Yes, I belong to you

But I just can't be certain  
That you love me too  
Well, I've got to know  
If I can believe in you  
Please believe my heart is yours  
I can't stay any longer, I've got to go

Perhaps it's best for us to stay together  
And try to live our lives as one  
And maybe we will find  
We're still together  
To watch the setting of the sun

## URIAH HEEP LYRICS 1968 - 1979

### HOME AGAIN TO YOU

*Out-take, included as a bonus track on remastered DEMONS & WIZARDS cd.*

Don't throw it all away  
Hear what I've gotta say  
Because you're always on my mind  
I've got an eye on you  
And only you will do  
And I don't wanna waste my time

So won't you hear my out  
Because it's all about when  
I come home again to you

You're such a little child  
You're gonna drive me wild  
As I just don't know what to say  
I got an eye on you and only you will do  
And I don't wanna get in your play

Hesitate, because I cannot wait  
Till I come home again to you

You make me feel so old  
Just like I have been told  
Because it's always up to you  
Oh baby, hear me out  
I've done all my time  
And I don't wanna be misused

So please don't hesitate  
Because I cannot wait  
Till I come home again to you

Can't waste all my time  
Give me all today  
Well it's on my mind  
You can't own me when all I wanna be  
But I don't wanna waste all my time

Hear me out  
Because I'll scream and out  
When I come home again to you  
Home to you

### PROUD WORDS

*Out-take, released for the first time on A TIME OF REVELATION compilation.*

Stand up and fight  
Or you'll lose your right  
Do you wanna stand in a line  
Fightin' hard to hold on to your mind

Seek and you'll find  
Proud words on a dusty shelf  
Find and you'll seek  
Just keep on helpin' yourself

When the wind of trouble comes  
Put away your battledrums  
And stand up and fight  
Stand up and fight, don't stand in a line  
Hold on to your mind

Seek and you'll find  
Proud words on a dusty shelf  
Find and you'll seek  
Keep on keepin' on helpin' yourself

Stand up and fight ...

### GREEN EYE

*Out-take, included as a bonus track on expanded de-luxe edition DEMONS & WIZARDS cd.*

Will you stay out late tonight?  
Try to hope  
Will you try to dominate?  
Will you do that more to hate?  
Will you give me all your love  
And never deserve it?

Giving me all of that green eye  
Never let me out of your sight  
Cause I'll give you more than you plan  
Then you'll understand that I'm all right...

Do you think you've really  
Found the only way?  
When you're wrong  
You'll have to do without  
What can you say?

Think you dare to manipulate?  
Then you just run away  
Accept it now, just stay away

Giving me all of that green eye  
Never let me out of your sight  
Cause I'll give you more  
Than you're planning  
'Til you're understand that I'm all right...  
I'm all right

Do you think you've really  
Found the only way?  
In your own defense  
What have you got to say?  
Think you can manipulate?  
Saying you'll just tolerate  
In your own defense  
What have you got to say?

Giving me all of that green eye  
Never let me out of your sight  
Cause I'll give you more  
Than you're planning  
When you're underground  
And I'm all right...

Green eye ....

### THE MAGICIAN'S BIRTHDAY 1972

### SUNRISE

Sunrise  
And the new day's breakin' through  
The morning of another day without you  
And as the hours roll by  
No-one's there to see me cry  
Except the sunrise, the sunrise and you

Tired eyes drift across the shore  
Looking for love and nothing more  
But as the sea rolls by  
No-one's there to see me cry  
Except the sunrise, the sunrise and you

Sunrise - bless my eyes  
Catch my soul, make me whole again

Sunrise, new day, hear my song  
I'm tired of fightin' and foolin' around  
But from now on till who knows when  
My sword will be my pen  
And I'll love you, love you  
For all of my time

### SPIDER WOMAN

I had a spider woman  
And she was so good  
She chained me in her web so tight  
I lost the freedom of release that night  
So I stayed right by her

I dreamt I saw a blind man  
Who was singing a song  
About a guy who couldn't take no more  
And the meaning of the words he swore  
Told me go find her

She was a spider woman  
But she was good to me  
Spider Woman  
But she was good to me

I told her 'bout my vision  
But she laughed in my face  
So I told her go and walk in the street  
But by the time she got past my feet  
I lost control

### BLIND EYE

Stranger than the sunrise  
Darker than the night  
Fiercer than a rainstorm  
This is man's delight  
This is man's delight

## URIAH HEEP LYRICS 1968 - 1979

Weaker than a moment  
And hot as any fire  
Blinder than the blind eye  
This is man's desire  
This is man's desire

I ran to a place in the open sea  
Where I pledged my life to the sun  
It was good for a while  
I could laugh, I could smile  
But when I woke up one day  
The sun had gone

So what of my meaning  
What am I trying to say  
What of my caution  
I'm a man anyway  
I'm a man anyway

### ECHOES IN THE DARK

I have heard the echoes in the dark  
Dim and distant voices of the past  
And I've seen so far into the night  
And lingered in the land of no light

Far beyond the shrouded hours of dawn  
Through the mist  
Of daybreak I was borne  
But the day was clouded still by night  
Leaving me in the land of no light

Though I'd love to say hello to you  
You might have to wait awhile  
To say goodbye  
For it must end as it began  
And then start again

The day of darkness comes to every man  
And lingers while he  
Reaches out his hand  
And he cannot know how it will end  
Till he finds out if he has a friend  
A friend ...

### RAIN

It's raining outside  
But that's not unusual  
But the way that I'm feeling  
Is becoming usual  
I guess you could say  
The clouds are moving away  
Away from your days and into mine

Now it's raining inside  
It's kind of a shame  
And it's getting to me, a happy man  
Why should you want to  
Waste all my time  
The world is yours but I am mine

Rain, rain, rain in my tears  
Measuring carefully my years  
Shame, shame, shame in my mind  
See what you've done to my life

See what you've done to my life

### SWEET LORRAINE

Would you like to take  
This magic potion with me  
On a trip to a cosmic  
Playground far beyond  
She understands, she's been before  
It's in her hands to find the door

Sweet Lorraine  
Let the party carry on  
You and I will swim the sea  
Sweet Lorraine  
Let the party carry on  
You and I can feel the breeze

There is no time, no wealth  
Only I surround you  
The fortune of this guide  
Is simply sincerity  
She understands, 'Cos she's been before  
It's in her hands to find the door, so

### TALES

We told our tales as we sat under  
Morning's sleepy sky  
With all the colours of  
The sunrise shining in our eyes

One, then another  
With a story of yesterday's life  
Or of a lover who had  
Gone in a moment of strife

No thought of sleep ever dwells  
Upon the wise man's mind  
Some task or audience  
Stealing every moment of his time

Thus we have learned to live  
While mortal men stand waiting to die  
How can we do what must be done  
In just one short life

And if you ask, then you must know  
If you still doubt, you should be told  
It was not we that made it so  
It was by those who went before

And there you sit, tomorrow's child  
So full of love, so full of life  
But you must rise to meet the day  
Lest you become another tale

Another tale ...

### THE MAGICIAN'S BIRTHDAY

In the magic garden  
Some were singing, some were dancing  
While the midnight moon  
Shone brightly overhead

The stars so gaily glistened  
And the sphinx in silence listened to  
The magician tell of  
Lives that he had led

Let the bells of freedom ring  
Songs of love to Friday's king

Let's all go to the magician's birthday  
It's in a forest but not so far away  
Much to do and so much to say  
While we listened to  
The orchid orchestra play

Happy Birthay to you ...  
Happy Birthday to magician  
Happy Birthday to you ...

Then at the dead of midnight  
As we watched the dancing firelight  
The air grew cold  
And seemed to dull the flame  
The fire died, the music faded  
Filled with fear of death we waited  
For now we knew  
Some evil was to blame

I challenge you, I challenge you all  
For all you own and all you know  
And by all the powers of darkness  
I will steal what is mine

Surrender now or face my spite  
I grant you it may be Friday night  
But did you know this day  
Also numbers thirteen

First I'll give you fire  
I turn your fire into a sleepy stream  
Yes, now I give you nightmares  
From your horror I'll create a dream

You cannot fight me  
For I have the sword of hate  
But one thing you can't see  
My answer is simply  
An impenetrable fortress  
Of love ... love ... love ...

The fear went as quickly as it came  
The air was clear, the fire burned again  
The flames leapt, the organ played  
The swans sang to greet the day  
And then we knew that  
Love will find love will find love ...

### ADDITIONAL SONGS:

#### SILVER WHITE MAN

*Out-take, included as a bonus track on remastered THE MAGICIAN'S BIRTHDAY cd.*

Just looking around the sky  
And trying to reason why  
The feeling is right  
For someone to appear  
He's never been seen before  
But he's somewhere out there, I'm sure  
And he talks in a whisper  
That most don't even hear

A silver white man  
On a silver white horse  
And I hope that he's coming to meet me  
A silver white man  
On a silver white horse  
And I'll hope he'll be able to greet me

A silver white man...

He watches us night and day  
Whatever we do or say  
His only concern is  
Rightning all the wrong  
Because of the way they decreed  
He must stay on his silver white steed  
Try to find out the people who belong

A silver white man  
On a silver white horse  
And I hope that he's coming to see me  
A silver white man  
On a silver white horse  
And I hope he'll be able to see me

#### CRYSTAL BALL

*Out-take, included as a bonus track on remastered THE MAGICIAN'S BIRTHDAY cd.*

Do we live our lives in moderation?  
Does this appear when you're around?  
And the deeper in debt  
The harder the bet  
Your thoughts are one of a clown

Look out before you sign  
Your soul away  
The crystal ball, it seems  
Is not reading to - reading today

Does the time seem right  
For some rethinking?  
It seems a gift that you have  
Are you living a dream  
Of express progress?  
It's just a thought that you have

Oh, you should've know better  
When the warning light was lit  
As it did for others  
You preach a sermon  
When you talk of the Messiah  
We are yet to discover

Thinkin', lovin', feelin'  
But disbelievin' ...

#### SWEET FREEDOM 1973

#### DREAMER

I've got a dollar deal  
Hidden down in my shoe  
So listen friends  
I tell you what I'm gonna do

I'm gonna run up the road of mystery  
Hangin' by a thread to a fantasy  
A background black showing my face  
Buried in the image of an empty space

I'm back on my feet, getting no sleep  
Makin' it all mine  
Give me a chance to follow the bands  
Waitin' for the sunshine

Husslin' my will in a bar downtown  
And if it don't work out now  
I'll keep movin' around and around ...

Till I'm back on my feet, getting no sleep  
Makin' it all mine  
Give me a chance to follow the bands  
I'm waitin' for the sunshine, yeah

A dreamer, a dreamer, hangin' around  
A dreamer, a dreamer  
Trying to hitch a ride  
A dreamer, a dreamer, hangin' around  
A dreamer, a dreamer  
When I turn my back you're by my side

Well I fought my way  
Through the back-stage door  
Staring at my goal  
Till my eyes get sore

And working my way  
Through the little I say  
Caring no less just the light of the day  
A background black showing my face  
Buried in the image of an empty space

I'm back on my feet, getting no sleep  
Makin' it all mine  
Give me a chance to follow the bands  
I'm waitin' for the sunshine, yeah

Just a dreamer ...  
When I turn by back, you're by my side  
Dreamer ...

#### STEALIN'

Take me across the water  
'Cause I need some place to hide  
I done the rancher's daughter  
And I sure did hurt his pride

Well, there's a hundred miles of desert  
Lies between his hide and mine  
I don't need no food and no water, Lord  
'Cos I'm running out of time

Fightin', killin', wine and women  
Gonna put me to my grave  
Runnin', hidin', losin', cryin'  
Nothing left to save but my life

Stood on a ridge and shunned religion  
Thinking the world was mine  
I made my break and a big mistake  
Stealin', when I should've been buyin'

All that fightin', killin'  
Wine and those women  
Gonna put me to an early grave  
Runnin', hidin', losin', cryin'  
Nothing left to save but my life, life...

So I stood on a ridge  
And shunned religion  
Thinking the world was mine  
I made my break and a big mistake  
Stealin', when I should've been buyin'  
I was stealin'  
When I should've been buyin'  
I was stealin'  
When I should've been buyin'  
Stealin', when I should've been buyin'  
I was stealin' ...

#### ONE DAY

One day ...  
Didn't I tell ya  
Everything was gonna be alright  
I never doubted  
It was just a matter of time  
And though I've travelled  
Across the desert of despair  
I know I'll get there one day

How times have changed  
I better re-arrange it everything  
But it can't change the love I bring  
When I get back home to you  
I am the same  
It's just a game that I chose to play  
But remember I can lose  
As fast as I won one day

I still remember the hole in the wall  
Where we all sat though  
You said we'd fall  
The dusty yard and  
The broken down barn  
Where you and me used to share a yarn  
But it's gone now

## URIAH HEEP LYRICS 1968 - 1979

But didn't I tell ya  
That everything was gonna be alright  
I never doubted  
It was just a matter of time  
Though I've travelled  
Across the desert of despair  
I know I'll get there one day  
One day ... I'll get there one day

### SWEET FREEDOM

As you look around you  
Do you like what you see?  
Though it sometimes makes you lonely  
Do you like being free?  
And are you sure you'll be okay  
Without my company?  
I just want you to be happy  
Even if it's not with me

Sweet sweet freedom  
Sweet sweet sweet  
Will the line between all this  
And my love ever meet  
Sweet sweet Freedom  
Sweet sweet sweet

What I'm really tryin' to say  
Is that I will be around  
Should you find that after all  
You can't get by with what you found

Oh, it wasn't just my heart you took  
And gently tossed into the sea  
Though it's hard to find  
The words I need  
I guess it was me

Will the line between all this  
And my love ever gonna meet  
Sweet sweet Freedom  
Sweet sweet sweet

Oh sweet, oh sweet sweet freedom  
So sweet, so sweet

### IF I HAD THE TIME

If I had the time to re-live my life  
I don't think I'd care to change a thing  
As long as I find  
Just a little peace of mind  
I can dream and laugh and I can sing

I can have my fun with the silver stars  
I can watch the sun fall in the sea  
And if it rains I will smile just the same  
For the rain will make the flowers sing

I know how it is to feel sad  
I know how it is when things go bad  
But I'm sure that I have found the way  
I'm happy here and here I'll stay  
Here I'll stay

### SEVEN STARS

Don't try to be anything else  
But what you are  
Don't try to do anything else  
But the things you do  
'Cause I had a dream about seven stars  
And the seven good things  
That you are to me

The very reason I'm livin'  
Is just for lovin' you  
And the seasons are changin'  
Makin' it all come true  
'Cause with the spring  
And clearing skies  
Love's soft light  
Will fill my eyes for you

Who fills my head with these dreams  
As I'm leaving my mind  
Seven new stars are born  
Seven are waiting to die

The very reason I'm livin'  
Is just for lovin' you  
And the seasons are changin'  
Makin' it all come true  
'Cause I had a dream about seven stars  
And the seven good things  
That you are to me

Abcdefghijklmnopqrstuvwxyz ...

### CIRCUS

Walkin' around this concrete garden  
Viewing all in vain  
Thinking why a dream  
Is driving everyone insane

Then something will come and  
Make you feel the master in control  
Still you're picking up and screwing  
Anyone who's got a soul

I've been here far too long to remember  
Sights and sounds  
From this town of clowns  
Makin' up, dressin' up, walkin' around  
Thinkin' that you're Greta Garbo

I'm sorry my dears  
But we only sat down  
And laughed and laughed in sorrow  
But it was you that opened the door  
And it's that we thank you for

Everyone insane ...  
Everyone's insane ...

### PILGRIM

A pilgrim at the grey of dawn  
Leaving in the mist of morning  
On his journey of goodness  
Heaven sent, God blessed

Pilgrim laughing at the world  
Spreading joy at the touch of his hand  
Wiping out all the misery  
Making love and history

Those of us who don't know war  
We shouldn't try to make it  
So many did and even more died  
Do you think you could take it?

Love lies waiting at my back door  
Such a beautiful matter of fact  
Life's like an apple with love as the core  
And I'll tell you 'bout that

Just a man in my prime  
Love was there but I had no time  
I was cheered and adored  
And I thought fame was all the world

Battles won and victory cheers  
Were the sounds I'd heard for years  
But the woman I really loved  
Was losing me to all this blood

I only knew I had to win  
And build a world where I was king  
But leaders come and leaders go  
And that's the truth I came to know

Love or war I couldn't choose  
And so both I had to lose

### ADDITIONAL SONG:

### SUNSHINE

*Released as a single b-side, included as a bonus track on SWEET FREEDOM cd.*

For many years I felt like a man  
Feeling his way through darkness  
This priceless treasure  
For which I've searched  
Appeared to me nothing more  
Than a mirage in the sea

But when the vision faded  
From this struggle and dream  
Suddenly my illusion is diary  
I've now discovered what's reality

Sunshine, sunshine, sunshine  
I've found you  
Even if you're only  
Even if you're only  
Even if you're only  
Destined for a while

## URIAH HEEP LYRICS 1968 - 1979

Sunshine, sunshine, sunshine  
I've found you  
Even if you're only destined for a while

I'll be both most impressions  
And I arrive this with a smile  
As the picture book shows Stanley  
Standing at the source of the Nile

### WONDERWORLD 1974

#### WONDERWORLD

We freely speak of dreams  
We marvel at what they conceal  
But in my wonderworld  
Each sleeping vision is so real  
So I believe and hope  
That all the things I see  
May one day bring such truth and peace  
As we can feel

Free from this waking world  
Deep in sleep's mystery  
My will is free to wander  
Free to wander carelessly  
At times it's not so far  
From what we call reality  
And at times I know I wonder  
If it all could come true

Oh, Mr. Wonderworld  
Don't be afraid  
'Cause dreams were made  
Were made to dim the light  
The torment day can bring  
And leave you free  
To laugh aloud and hear  
Your heart bells ring  
Oh, oh, Mr. Wonderworld  
Wonderworld

Oh, Mr. Wonderworld  
Don't be afraid  
'Cause your dreams were made  
They were made to dim the light  
The torment day can bring  
And leave you free  
To laugh aloud and hear  
Your heart bells ring  
Oh, oh, Mr. Wonderworld  
Mr. Wonderworld  
Mr. Wonderworld

#### SUICIDAL MAN

Waiting by the window  
Staring at my shadow  
Not believing what I'd seen  
Touching but not feeling  
And wondering what I was dealing  
And not knowing where I'd been

So I began walking  
To myself I was talking  
But didn't know which way to go  
Then I found a direction  
And now I needed some action  
But I should have just said no  
Should have said no

Why won't you help me  
Or give me hand  
'Cause I'm close to becoming  
A suicidal man  
What I need is someone  
With a definite plan  
For I've waited for just about  
As long as I can

Suicidal man, suicidal ...

So on my travels  
Still with all my troubles  
I found someone who cared  
The answer was so easy  
That all she did to please me  
Was to say a problems smaller  
When it's shared

He was a suicidal man ...

#### THE SHADOWS AND THE WIND

Oh, they're moving in again  
Hidden by the shadows and the wind  
But we'll just wait awhile and then  
We'll show 'em all that  
This time we ain't giving in

Without a care they  
Sweep aside our dreams  
To try and make way for their own  
No more should we surrender  
To their schemes  
It's time to stand and  
Show 'em we are not alone

Time has changed us all  
We have our minds  
Life has taught us we all have our love  
And it's time to use it, use it

Nature gave us colour day and night  
So if you really got a reason  
Then you better be right  
The seasons of the year  
Still are spring and fall  
But there's nothing in the world  
That's says it's right to fight

Time has changed us all  
We have our minds  
Life has taught us we all have our love  
Why don't we use it, come on and use it  
Why don't we use it, come on and use it

La la la la ...

#### SO TIRED

Well, I've been on the road  
For a year or more  
And I've done a lot of things  
I never did before  
Now I want everyone  
To listen to my song  
And you can tell me  
When you've heard it  
If you think I'm wrong

'Cause I'm so tired  
Of everybody staring at me  
Yes, I'm so tired  
And I'm so uninspired  
Please help me

Well I've seen 'em rise  
And I've seen 'em fall  
And I use to think that  
I was having a ball  
But I was kiddin' myself  
For a long long time  
But now I got myself a spoon  
And I'm feeling fine

But I'm so tired  
Of everybody staring at me  
Yes, I'm so tired  
And I'm so uninspired  
Won't you please help me

Where can you go, where can you go  
When there is no one  
To show a guiding light  
What did you say, what did you say  
Have you been thinking about me  
Day and night

'Cause I'm so tired  
Of everybody staring at me  
And I'm so, so tired  
I'm so uninspired, please help me  
Won't you please me ...

#### THE EASY ROAD

If you're looking for a place  
You can fly together  
And you're really afraid of  
What you're leaving behind  
Take the easiest road  
But take care my brother  
For you'll never find peace  
With a troubled mind

Far better to love each other  
Than to worry so deeply  
'Bout the place you're in  
And far better to kiss her softly  
Than lookin' back on a love  
You'll never have again

## URIAH HEEP LYRICS 1968 - 1979

Time's as fickle as the sky in winter  
And two hearts always  
Were better than one  
Love has the wings of a tireless angel  
She'll stay beside you  
Till the day is done  
La la la la ...

You'll never have again  
No no no, never again  
You'll never have again

### SOMETHING OR NOTHING

There's never a day  
When I've got nothing to do  
Something to me  
Might mean nothing to you

So don't don't don't don't  
Look at me strangely now  
We'll find the line  
That's in the middle and run

Something, something or nothing

You say you love to spend days  
But I will save mine  
Waiting for the sun in your eyes  
To turn the river to wine

But don't don't don't don't  
Look at me strangely now  
We're gonna find the line  
That's in the middle and run

### I WON'T MIND

I don't mind if you steal my last dime  
Just leave me anytime  
And I'll get, get along fine  
I don't really know why  
But I know I'll get by  
If I don't I'll die tryin'

If it rains again, I'm gonna fly to the sun  
'Cause nothing gets done  
Just sitting, sitting around  
Look at the way it's been  
Just waitin' and wonderin'  
I've just got to keep trying

Looking for gold in the sky  
Gets kinda rough  
Maybe I'm to blame  
'Cause I didn't look hard enough  
But I still get the feeling  
That it shouldn't be so tough

So I won't mind, I, I won't mind  
I won't mind, I, I won't mind  
So I won't mind  
I, No, I won't mind  
I won't mind, I, said I won't mind

### WE GOT WE

I got you, you got me  
We are where we belong  
Safe places, warm faces  
All have been gone too long

Sky writing, inviting  
Disappears amidst the clouds  
False promise, the last cold kiss  
All seem so distant now

Just with each other  
We are all so well armed  
And with a little care we need  
Never be harmed

We've got we, and there's love  
Before our eyes  
We can have it and hold it  
If we realize

Just with each other  
We are, we are so well armed  
And with a little care we need  
Never, no never be harmed

### DREAMS

You should have seen Tuesday's dream  
Dancing in my head  
For you'd have heard a thousand words  
That nobody had said

And you'd have watched me try to run  
Where dreams have never strayed  
Heard my cries because I know  
I really was afraid

Dreams, dreams, I'll never keep  
My body rests  
But my eyes refuse to sleep  
Sights and sounds my mind created  
Far beyond the thoughts  
Of which we speak

And then we danced on silver wings  
Upon a gilded thread  
I heard the song the angel sings  
To bless my lowered head

And at the door of paradise  
My best laid plan begun  
But as I turned to reach for you  
My coloured night, it was gone

#### WHAT CAN I DO

*Released as a single b-side, included as a bonus track on WONDERWORLD cd.*

I wish you'd stop and  
Give a helping hand  
For I guess I'm only half a man  
I feel the only way for me to leave  
Is just to give you everything I can give  
'Cause without you  
Without you what can I do

I will give you all the love I have  
Just to know you stop me being so sad  
I hope you won't think so badly of me  
'Cause I had to tell you  
This could break myself in

Being helpless is a habit of mine  
No one else can understand  
You are the one to  
Help me to survive  
If you're any friend of mine

Yesterday you gave a helping hand  
To some one you'll never understand  
Though I tried to tell you of this way  
You said I had nothing  
Constructive to say

But without you  
Without you what can I do ...

#### LOVE, HATE & FEAR

*Out-take, released for the first time on A TIME OF REVELATION compilation.*

Dream in a lonely room, fly on a star  
Think of the forcing time  
Then know where you are

Fear is the strongest force  
Love, love is the key  
Where is my hatred now?  
Love rules over me

Something I have failed to see  
The haunted of a memory  
Darkness keeps my thoughts at bay  
But I will find my dream one day

Hate, hate is my only thought  
Blame, the blame is on you  
Why, why, why, why  
Why did you leave my side?  
Heaven knows quite a few

Something I have failed to see  
Like a haunted of a memory  
Darkness keeps my thoughts at bay  
But I will find my dream one day

## URIAH HEEP LYRICS 1968 - 1979

### STONE'S THROW

*Out-take, released for the first time on A TIME OF REVELATION compilation.*

I was a stone's throw from happiness  
Feeling love grow in your caress  
It was like nothing I had felt or seen  
And I waited impatiently

Oh, stone's throw  
And I can't stand to see you go  
You hurt me bad, cut me down  
But it just don't work without you  
Without you around

It was a short walk  
Now it's a lonely ride  
It turned my day into a lifeless night  
It was my belief and now it's my regret  
I've got a one way ticket  
That I can't accept

Oh, just a stone's throw  
And I can't stand to see you go  
You hurt me bad, you cut me down  
But it just don't work without you  
Without, without, without  
Without you around

Oh, stone's throw  
And I can't stand to see you go  
You hurt me bad, cut me down  
But it just don't work without you  
Gotta have you around

Gotta have you around ...

### RETURN TO FANTASY 1975

### RETURN TO FANTASY

Searching every day, looking every way  
Trying to make a connection  
To find a piece of the action  
Like a hungry poet who doesn't know  
He is close to perfection  
Choice is the question

Moonlight night after moonlight night  
Side by side they will see us ride  
But if they cared to look  
Then they would see  
It's our return to fantasy  
Fantasy, fantasy ...

Can you understand that in every man  
There's a need to unwind  
That's never been defined  
Somewhere deep within  
There's another being  
You are somehow abusing  
By the person you're using

Moonlight night after moonlight night  
Side by side they will see us ride  
But if they cared to look  
Then they would see  
It's just our return to fantasy  
Fantasy, fantasy ...

Travelling faster than lightning  
Closer than ever before  
We can go on for you  
And take you nearer to  
The legend of mystery  
From the beginning of time  
Dreaming... time ... dreaming  
We can return to  
The land of the good and the kind  
Time... dreaming... time... dreaming  
Why don't you come to our party  
And open your minds

In another place there's a newer face  
Like an unfinished painting  
Your creator is waiting  
The brush and pen describe  
What it is inside  
That will set your mind thinking  
While the others are sinking

### SHADY LADY

Out from St. Louis, I wasn't choosy  
I just wanted to get back on the road  
I hitched in cars and worked in bars  
Lookin' for a place to lay down my load

I met a lady, a shady lady  
And someone told her  
I was all on my own  
She poured a beer  
And said when I'm finished here  
Hang around 'cause  
I'm taking you home

Don't worry, I'll treat you all right  
Don't worry, you can stay all night  
I thought it was any easy ride  
But I didn't know where  
I was until I got inside

She said, ok sonny  
Give me your money  
And don't start any foolin' around  
I said what, I said what  
Don't you think you're  
Turning me upside down

She said, I don't care  
I've been everywhere  
And I've not been looking for you  
But I'll take you in and give you a spin  
You'll know some tricks  
By the time we get through

Shady lady  
You want it all your own way  
Shady lady  
You won't let go of your prey  
Shady lady  
Eat me up and spit me out  
But let's get started now  
I know what you're talking about

Now in the morning  
As the day was dawning  
Shady asked me if I'd stay there awhile  
I said stay, baby no way  
But I couldn't keep myself from a smile

I said now no bye-bye's  
Go in and dry your eyes  
That ain't fittin' for a lady like you  
Why not be smart  
And give your life another start  
But take care now whatever you do

Shady lady, I'm on my way  
Shady lady, We'll meet again one day  
And don't worry 'cause when we do  
I'm gonna make sure that there  
Ain't very much left of you

### DEVIL'S DAUGHTER

I don't believe in your kind of affection  
Your taking me in the wrong direction  
Don't give me none of that holy water  
Comin' on like you're  
The Devil's daughter

Just take me to your chapel  
Show me to your leader  
Take me to your chapel  
I wanna meet your leader, come on

How do you find the time to exist  
I've got to keep my  
Strength of mind to resist  
Don't give me none of that holy water  
Comin' on like you're  
The Devil's daughter

Where do you come from  
And where do you go  
Can I touch without havin' to know  
Don't give me none of that holy water  
Comin' on like you're  
The Devil's daughter

Come on now  
Come on now take me there

### BEAUTIFUL DREAM

Sail down the stream  
Such a beautiful dream  
Never stopping, never touching anything  
Till dawn awakes you  
With a breath of the Spring

## URIAH HEEP LYRICS 1968 - 1979

Far from the crowds  
Way above the clouds  
We can take you to the edge of the day  
And show you living in  
A new kind of way

We'll take you floating to  
A sea of morning dew  
Where everyone's the same  
And no-one knows your name  
And there you'll see that you can  
Live your life to the extreme  
Such a beautiful dream

### PRIMA DONNA

I'll go down fightin'  
But rather be delightin'  
All the people that come to see  
The Devil's from Chicago  
Nnow where the hell do they go  
When we get in our limousines

'Cause we just want to be  
Where it's all going on  
But tell me what do you do  
When it's over  
And everyone who loved you is gone  
They're gone, I said they're gone

You're our kind of people  
You're the church and we're the steeple  
But we're all inside the hall  
If we've got what you need  
Then we'll give you the speed  
To get up and have a ball

'Cause we just want to be  
Where it's all going on  
But tell me what do you do  
When it's over  
And everyone who loved you is gone

You're just another  
Prima Donna of rock'n roll  
So please let me know  
When you want me to go

### YOUR TURN TO REMEMBER

I was always the one  
Who did the thinkin'  
It was me, I'm sorry  
I who made the plans  
There was never a thought  
We might do somethin' between us  
It's so clear I think  
I'm beginning to understand  
I was the one who had to  
Lay it out and pay it out  
I would work all night  
Even though I wanted to  
Play out and stay out

Now it's your turn to remember  
And it's your turn to try to understand  
But you never would, would you?

When the time came  
For stayin' together  
You refused to even talk about for ever  
It was easy telling me you love me  
And I was a little late in  
Finding out the truth  
The rule of love was there  
You had to bend it  
Now the damage is done  
It's impossible to mend it, I can't mend it

Now it's your turn to remember  
It's your turn to feel a little pain

I feel a little better talkin' about her  
Yet her memory's not good for me  
The skies are not so grey now  
I've found a new tune to play now  
It's a better song, it'll be followin' on

And when the time came  
For stayin' together  
You refused to even talk about for ever  
It was easy telling me you love me  
And I was a little late in  
Finding out the truth  
The rule of love was there  
But you had to bend it  
Now the damage is done  
It's impossible to mend it  
You know I can't mend it

Come on babe  
It's your turn to remember  
Your turn to feel a little pain

### SHOWDOWN

It's gonna happen before too long  
It's gettin' hard to tell  
Who's right and who's wrong  
I can see it comin' so I gotta be strong

There's gonna be a showdown  
There's gonna be changes in this town  
We're gonna see a showdown

A time's gonna come in the future when  
A whole lotta people gonna think again  
We're gonna keep right on  
Till you break and then

Do you want to be out of touch  
Only you can decide  
For something different  
You're out of luck  
'Cause on we will ride  
On we're gonna ride  
Ride on, oh, ride on, come on

The music explodes  
Like a gun in your hand  
We're gonna give you more  
Than your head can stand  
Then we'll sit down  
And talk man to man

There's gonna be a showdown  
We're gonna see changes in this town  
We're gonna see a showdown  
Showdown ...

### WHY DID YOU GO

I woke up today with my head in daze  
'Cause my love had gone  
With nothing to do  
Just to dream about you  
And how we went wrong

But oh, why did you go  
I loved you so, didn't you know

I walk into town  
With my head hangin' down  
Tryin' to hide my pain  
The people I meet  
As I float down the street  
Tell me try again

When I remember how good it was  
It makes me cry  
'Cause my life's been  
Turned upside down  
All I want is someone  
But how do you say  
Please will you stay  
Please will you stay

I'll settle down to a life  
Of a clown to remain alive  
I'll work till I bleed and if I can succeed  
Maybe I'll survive

### A YEAR OR DAY

Seen from the height  
Of a thousand miles  
The earth looks the same as it did  
How is it we can fly faster than day  
But we can't find the things we need

Young man said the old man  
Let the youth in your heart be at rest  
We may all be dead in a year or a day  
When the devil is put to the test ...

The day of creation was our finest hour  
It's something we ought to defend  
But it's been so abused  
Since the first day of light  
That no glory can come in the end

## URIAH HEEP LYRICS 1968 - 1979

Young man cried the old man  
There is victory in staying alive  
And if you care so little  
For the world we're in  
Why and what do you want to survive

Can't we try to let the past go by  
With it's lessons firmly  
Settled in our minds  
To our children one by one  
And before the darkness comes  
Let us leave a world full of light  
Of a different kind

In truth they should meet  
And with love their hearts should beat  
And with patience  
Solve the problems of our time  
It wouldn't be so hard to do  
It's only up to me and you  
Let us not bequeath a life that is a crime

Young man cried the old man  
Let the youth in your heart be at rest  
We may all be dead in a year or a day  
When the devil is put to the test

Young man ...

### ADDITIONAL SONGS:

#### SHOUT IT OUT

*Released as a single b-side, included as a bonus track on RETURN TO FANTASY cd..*

She took me for a ride in her car  
From the moment it started I knew  
We wouldn't get far  
That didn't matter it seemed  
Though I knew it went schemed  
And it was just like a dream

Oh, the joy of love was brand  
That's when I heard the little birds sing  
The day I first met my love  
Oh, the day I first met my love

Then we went walking in the park  
Away with the day  
Till the day became dawn  
Man hand in hand with the son  
Laughed at the rain  
When it came along

Oh, the joy of love was brand  
As well the birds  
As well the stars would sing  
The day I first met my love  
Oh, the day I first met my love

Am I really standing here with you  
Are you telling me you love me too  
Will it grow  
Can we let the world know  
Put it about, shout it out

The day I first met my love

#### THE TIME WILL COME

*Released as a single b-side, included as a bonus track on RETURN TO FANTASY cd.*

Riding on together, forever till the end  
Some people try to come between us  
But we know they're not our friends

So come on join our party  
Let the hours slip on by  
No more cares or worries  
No more asking yourself why

Can you hear us, can you hear us  
We're never far away  
Can you hear us, can you hear us  
This is all we have to say

All our love is true, even just for you  
Don't push us away  
Like we're of yesterday  
We never ask for more  
And we give in return

The time will come  
When everyone will listen  
The time will come  
When everyone will care  
Just look ahead  
What we said will glitter  
Like a jewel sailing softly  
Through the air

With everything to live for  
Sometimes you're seeing just ahead  
Wear your vision and find  
That you're together  
In five different ways

#### HIGH AND MIGHTY 1976

#### ONE WAY OR ANOTHER

There's been some changes in my time  
But this one's playing  
Games with my mind  
Stopped in my tracks  
No thought of looking back  
The lady's got me tied up  
But I've already made my mind up  
One way or another she'll be mine

It wasn't anything I could define  
None of those ringing bells  
Giving me a sign  
I just took a look but I was on the hook  
The lady's got me tied up  
Don't know how it's gonna wind up  
One way or another gonna be all right

I'm beginning to think  
That a forever kind of love  
Is the kind of love I'll look for forever  
But still I'll love and love again  
One way or another I will find my friend

I knew some day my heart  
Would lead my head  
Beyond the path my chosen life had led  
I'd been so sure but where is the cure  
The lady's got me real good  
But you can't say what I should do  
One way or another it's all over now

One way or another

#### WEEP IN SILENCE

You who thought  
Your eyes could tell no lies  
So your life became a compromise  
And it was you  
Who had seen men dyin'  
You heard their children cryin'  
While their women weep in silence

And you who thought you were so wise  
Succeeded only in disguise  
Now and then  
You'd find a bridge to cross  
Reach the other side  
And you'd still be lost  
Evaded by the sweet smell of life

And the people that you try  
To show the way  
Never believe you  
Never believe you - no way

While your women weep in silence  
Your women weep in silence  
Women weep in silence

#### MISTY EYES

I was missing my little Miss Misty Eyes  
She made my life complete  
I'd been waiting on  
True love's sweet surprise  
And it tasted so sweet  
Oh it tasted so sweet

I could hear the sound of the love bell  
Told me all it could tell  
And the sight of the blue moon rising  
Told me all was well  
Told me all was well

## URIAH HEEP LYRICS 1968 - 1979

I was just driftin'  
As a wind blown wave  
Like a stricken ship  
I thought I'd never be saved  
So far below me  
There seemed so much more  
Yet a man has to know  
What he's looking for

Something unknown  
Kept my life turning around  
But I couldn't get near to  
Putting my feet on the ground  
With all that I had  
Any man would be glad  
But my everything was nothing  
So what made me sad

I was missing my little Miss Misty Eyes  
She made my life complete  
I was waiting on  
True love's sweet surprise  
And it tasted so sweet  
It tasted so sweet

Farewell to that same lonely road  
I've seen the last of that heavy load  
No more blues about paying dues  
It's time for reaping  
All the seeds I sowed

### MIDNIGHT

I just lay down wonderin'  
What to lay down  
Lately I can do it every day undisturbed  
I think I know what  
But I can't find out how  
The morning didn't show me  
What it was worth

Miles and miles of smiles  
Getting me nowhere  
Opportunities I just can see  
Can't lead me to the slaughter  
'Cause I'll already be there  
I've been up that street  
And I know what's waiting for me  
Just waiting

Midnight, moonlight, day into day  
No escape I must stay  
Midnight, show me the way  
Show me the way  
Give me something to play  
Something to play  
To help me make the new day

Take me out of the darkness  
Into the light  
I've no friends to stand by me  
Here in the night  
It's an affair of a sad and weary heart  
Take me out of the darkness  
Back to the start

I just lay down wonderin'  
What to lay down  
Lately I can do it every day undisturbed  
I think I know what  
But I just can't find out how  
The morning didn't show me  
What it was worth

### YOU CAN'T KEEP A GOOD BAND DOWN

I can't believe y'all are still sayin'  
We're a long way from rock'n'roll  
You won't look for the good  
In the tunes we're playin'  
Prefer to say we got no soul

But day after day in town after town  
People say we're doin' alright  
We play and we stay boogin' down  
And rockin' on into the night

It's breath and words  
And time you're wastin'  
When you should be tryin'  
To have a good time  
For a good few years  
It's been yours we've tasted  
So here's a little piece of our mind

We'll roll and we'll roll  
And we'll roll and we'll roll  
Till we run out of reason to try  
If it happens you don't approve  
It don't matter we won't ask why

You can't keep a good band down  
You'll never find the solution  
You won't stop us runnin' around  
You're dealin' with an institution

We'll fill our cup with wine while you  
Fill your head with high ideals  
You know so much  
But you still can't touch  
Till you find out how it feels

It'll take much more  
Than the high and mighty  
To bring down the king of the road  
We could still be friends  
And quit this fightin'  
And let the real story be told

You can't keep a good band down  
You'll never find the solution  
You won't stop us runnin' around  
With your paragraphs of pollution

### WOMAN OF THE WORLD

Did you ever meet the kind of a lady  
She lives her whole life saying maybe  
Running here and there as she pleases  
Not a thought for the social diseases

Though she never  
Thinks of settling down  
She'll spend time  
Turning your head around  
But don't let your heart start dancing  
The lady don't  
Waste no time romancing

Are you mine or are you  
The woman of the world  
Are you really so different  
From all the other girls  
Do you care that I care  
About the things that you do  
Does anything matter to you  
Does anything matter to you

Once in a garden of glory  
Someone sowed the seeds of this story  
And the whole thing began  
With a woman and a man  
Still it's something no one understands

### FOOTPRINTS IN THE SNOW

Just like footprints in the snow  
Who knows where my heart will go  
Will it lead me to you  
Or will I see another empty day

Seasons come and quickly go  
Kinda makes me wonder if they know  
Why my heart keeps  
Running near and far  
If only they could tell me  
Where you are

If you've ever been in love  
Then you'll know the rocky road  
I've been speaking of  
You'll remember when  
The times were good  
And the times you had to do without  
Think carefully my friend  
It may look like a start  
But it could be the end

I'm not trying to bring you down  
I'm just so tired of hangin' around  
I won't make the same mistake again

### CAN'T STOP SINGING

I can't stop singing  
I can't see the end, just a new beginning  
As long as I keep on trying  
I'll survive just fine  
Free to take my time

Ridin' the moon in the midnight sky  
I can see through  
The man who lies with eyes  
And the real thing that's wrong is  
He has no song to lean on

## URIAH HEEP LYRICS 1968 - 1979

So I'll take my time  
Just to give you my rhyme  
To try to be sure and open the door  
'Cause there's much more to life  
Than a day and a night to dream on

Now I ain't confessin'  
To same kind of blessin'  
I'm trying to say why I'm happy today  
I'm not preachin', teachin',  
Makin' some speech in dedication

'Cause it's no good me sayin'  
Where the blame should be layin'  
For with that kind of reason  
It comes out the same  
With an ear to the ground  
Each day I found inspiration

### MAKE A LITTLE LOVE

I walked you to your doorstep  
Believin' we could make a little love  
And I let you have my heart  
I was as certain as the stars above

Looked here and there  
Every everywhere  
I even searched beyond the dawn  
But you were nowhere to be found  
And I was going round and round  
Lost like I'd never been born

Time after time  
I've lost my love for a rhyme  
A reason seemed good enough  
You always put me down  
While you made me run around  
I can't take anymore of that stuff

Time after time  
I've lost my love for a rhyme  
And my reason seemed good enough  
You always put me down  
And you make me run around  
I can't take anymore of that stuff

### CONFESSION

I'm so sorry for the things I've done  
And the times it went a little wrong  
Try to understand  
That I've made my plans  
With my love for you in mind

Sometimes you get the wrong idea  
And I can't seem to make it clear  
If my heart doesn't show  
It's 'cause I don't know  
The best way to say I love you

Every living day you fill my heart  
With a breath of spring  
And I search the universe for some joy  
That I can bring to you

### ADDITIONAL SONGS:

### NAME OF THE GAME

*Out-take, included as a bonus track on remastered HIGH AND MIGHTY cd.*

Here comes trouble  
In the shape of a lady  
She started cool but now  
She's coming around daily  
She's got some big ideas  
About being my baby  
It's her game with the name of love

Now she's sure pretty  
That I have to confess  
But no five-star fox is  
Getting me in a mess  
Let's buy a ring, she says  
Let's go and get blessed  
It's her game and she calls it love

Rock and roll rules my soul  
Pushing everything and everyone  
To one side  
But when all grows old  
Chill's still cold  
When I sing with my sweet guitar  
When I sing with my sweet  
My sweet guitar

Don't waste your tears on me  
Go cry in the river  
What you need I ain't about to deliver  
I'm my own man and  
That's how I'm gonna stay  
'Cause music is the name of the game

Rock and roll rules my soul  
Pushing everything and everyone  
To one side  
But when all grows old  
The chill's still cold  
While I sing with my sweet guitar  
While I sing with my sweet  
My sweet guitar

### SUNDOWN

*Out-take, included as a bonus track on remastered HIGH AND MIGHTY cd.*

I'll see you at sundown  
You can't back out now  
The news is all over town  
I'll see you at sundown  
And they can put one of us  
In a hole in the ground

Now it's three in the afternoon  
And I'm frightened to death  
Waiting for you in the saloon  
I wonder if he feels the same  
For whoever wins there's still  
The cowboy to blame

Sundown, give me some strength  
I know I can't go it alone  
Sundown, give me your strength  
Give me a chance to go home  
To go home

Well even if I shouldn't win  
And I'm frightened to death  
When it's in it again  
I hear the reverend feels it's a sin  
For whoever wins he's  
Going to carry the blame

Sundown, give me some strength  
I know I can't go it alone  
Sundown, give me your strength  
Give me a chance to come home

### FIREFLY 1977

### THE HANGING TREE

Passing through the arms of Satan  
Reaching for the hands of God  
Robbing every mind for wisdom  
Running so he won't get caught  
He's outlawed by majority  
Been branded all his life  
Some say that he's a sinner man  
As he rides from day to night

He's a bad man, so they say  
Living for his love and living free  
Riding swift and secretly  
So he'll miss the hanging tree  
Wounded spirit on the wind  
Riding to his dream and destiny

He's laughing at the wanted posters  
Calling for his friends to see  
Laughing aloud as he rides away  
Kicking up the dust with speed  
Time hands him down a pathway  
And freedom is a horse he rides  
Glory is a dream he's after  
And fortune is his heart's delight

Riding swift and secretly  
So he'll miss the hanging tree  
Wounded spirit on the wind  
Riding to his dream and destiny

### BEEN AWAY TOO LONG

I'm coming home  
I've been away far too long  
I'm leaving it up to you to understand

You may wonder why  
When it was me who said  
The last goodbye  
But cannot change my mind  
One more time

## URIAH HEEP LYRICS 1968 - 1979

It's high time, I can't wait any longer  
It's my time to find out who I belong to  
It's breaking my heart  
Waitin' for another day

When the time comes  
You won't see me around  
I've been patient, standing my ground  
Gotta see ya and hold ya  
Hear what you have to say

Do you wake up in the morning  
Wantin' me  
The way I wake up wantin' you  
And in the same breath  
You keep hauntin' me  
Does it ever occur to you  
I've been in love too long  
To stop now, oh  
I've been away too long  
I've been away too long

If you've ever cried  
Then you'll know the pain  
You felt inside  
And just like me you pray it's all untrue

But time alone will tell  
If you have learned life's lessons well  
And maybe then you'll know  
What I should do

Been away, I've been away  
I've been away too long  
I've been away too long  
I've been away too long  
Too long, much too long, much too long

### WHO NEEDS ME

Don't take life for granted  
'Cause you know  
That life won't grant you back  
The feelings on the love  
That you once had

You've taken me for granted  
'Cause you know  
I'm a lover just like you  
And I'll do anything you want me to

Who needs me? Who needs me now?  
You'll find someone  
How you'll find one  
Who needs me? Who needs me now?  
You'll find another but no better

You can't argue with me now  
I needed you and you did not know how

Don't let go of something that is good  
When I'll tell you it's bad  
Let 'em hear the story, make 'em sad

And if the price of love can cost you less  
Than when it first began  
I guess that you won't find a better man  
Who needs me ...

### WISE MAN

I sat before the wise man  
In the autumn of my youth  
And I told him all  
The things I had to know  
He said you have the future  
If you need to find the truth  
And in his eyes I saw that it was so

So I came right out and asked him  
The meaning of life  
And as he smiled  
I saw a twinkle in his eye  
He said with all his years  
There's still so much he has to learn  
And once again I saw that it was so

Keep on living, loving  
Waiting your turn  
It's the only way to ease your concern  
If you want to find your dream, be sure  
You don't wake up too soon  
Or you'll find it easier  
Shooting for the moon

Wise man, wise man  
Which way shall I run  
There's so many roads  
So many ways to turn  
I am like a blind man lost in the sun  
I wanna be like you  
And be a wise man too  
But I'm looking for an easy way to learn  
And be a wise man too

### DO YOU KNOW

All you seem to do want to do  
Is break my heart  
Seems to me we're a lot better off apart  
Time was when you took  
A pride in puttin' me down  
We'll I've some news for you  
That's gonna turn ya around

I got no time for no crazy lady  
And the games you wanna play  
'Cause a love like mine's  
Gonna take some time  
You can't save it for a rainy day

Well, do you know, do you know  
Do you know what I'm trying to say  
Love's not a game, it's never the same  
You gotta live your love from day to day

Lonely days are long and  
Sad nights are so black  
Then I get right down thinkin'  
Maybe I could take you back  
Till at mornin' light  
A new face appears at my door  
As a kinda reminder that  
I ain't seein' you no more

### ROLLIN' ON

It came as the daybreak  
Must surely arrive  
Opened my eyes just  
To be sure I was alive  
Another day, they're much the same  
Twentyfour hours for me to try again  
I'm rollin' on, I'm rollin' on  
I'm rollin' on, I'm rollin' on

It came as a judgement  
We all have to face  
Fickle hour you bring me joy  
You bring me disgrace  
I'll take your challenge  
Man against emotion  
I'll wager my beliefs against my sin  
I'm rollin' on, I'm rollin' on  
Well, I'm rollin' on

Rollin' on and on and on forever  
Yes, I am  
Rollin', rollin', rollin' on together  
Rollin' on and on and on forever  
Rollin', rollin', rollin' on

Yes, I'm rollin' on to where I don't care  
Crystal ball, you let me down again  
Rollin' down a road I've never seen  
Meeting people  
Seeing places I've never been  
I'm rollin' on, I'm rollin' on  
I'm rollin' on, I'm rollin' on

Rollin' on and on and on forever  
Yes, I am  
Rollin', rollin', rollin' on together  
Rollin' on and on and on forever  
Rollin', rollin', rollin' on together

I'm rollin' on. I'm rollin' on  
I'm rollin' on, I'm rollin' on  
Crystal ball, you let me down again  
I'm rollin' on ... Well, I'm rollin' ...

### SYMPATHY

Sympathy just doesn't mean  
That much to me  
Compassion's not  
The fashion in my mind  
And if you're looking for  
A shoulder to cry on  
Don't turn your head my way  
'Cause I'd rather have  
My music any day

You and I are masters of our destiny  
We look for consolation all the time  
Until we find out things are not  
What they were meant to be, oh no  
And if it doesn't suit our mood  
We'll call it crime

## URIAH HEEP LYRICS 1968 - 1979

Dedication's not an obligation  
Or a figment of someone's imagination  
It's the only way they say  
To live from day to day  
To make each passing way  
A small sensation

Dreams are the possession of  
The simple man  
Reality the fantasy of youth  
But living is a problem that  
Is common to us all  
With love the only  
Common road to truth

### FIREFLY

My love lives at the end of a rainbow  
One day I'm gonna fly there on a firefly  
High above white angry water  
With a love song in my heart

Someday, somehow  
I know I'm gonna get there  
I've been patient for so long  
All my daydreams  
Seem so much nearer now  
And I beg you hear my song

Firefly  
On your glowing wings I'll ride  
Till I sit beside this dream of mine  
Firefly, high on a risin' tide  
Only wanna touch the things I've seen

Steppin' lightly from star to star  
Cross a wilderness of blue  
Wonderin' how much  
In love with me you are  
'Cause I'm so much in love with you

Firefly, can you take me  
I ain't had no lovin' lately  
Firefly bring me love

To my new horizon  
The one that I've still  
Got my eyes on, my my firefly  
Firefly, firefly, firefly

In my dreams you come to me  
The answer to my prayer  
As I begin to feel you warm my heart  
I awake and you're not there

Now and then I see your eye  
As the stars begin to shine  
No rain to cool my passion  
No! Not now!  
No, now you're mine!

### ADDITIONAL SONGS:

#### CRIME OF PASSION

*Released as a single b-side, included as a bonus track on remastered FIREFLY cd.*

See the blind man at the dead of night  
He can see, so he won't fight  
Running scared like a swan in flight  
On and on, looking for delight

But it's you, he'll hear you running  
As this blind man tells the blind

See the children in the jungle zone  
Black man woken till your work is done  
He can't hide, there's nowhere to run  
Waiting for salvation to come

And it's you, coming from far  
Got a lonely mind to sell

Crime of passion, crime of pain  
How long before I see you again  
I've been free and I've been high  
Got a soul, never ask my why

#### A FAR BETTER WAY

*Out-take, released for the first time on A TIME OF REVELATION compilation. Included as a bonus track on remastered FIREFLY cd.*

Seeing you here  
All of my fears seem to drift right away  
Seeing you smile  
Checking out your style  
I begin to hope you'll stay  
Stay awhile so we can play

Lost in a dream  
That's becoming a nightmare  
Day by day  
It's my love and my life  
And somewhere between them  
There's a road  
And it's a far, a far better way

Out of nowhere came this vision  
Of you and me together  
Looking for a better way  
Then from nowhere you came running  
Look out, world  
There's something coming  
I've suddenly found  
A lot of things to say

Now we'll sing our tune together  
This way it's a whole lot better  
We're out to prove  
There is a place for love  
Then from somewhere  
We'll come running  
Look out, world  
There's something coming  
I think we've found a far better way

I think we've found a far better way ...

#### I ALWAYS KNEW

*Out-take, included as a bonus track on expanded de-luxe edition FIREFLY cd.*

Well, you don't have to tell me why  
I've a feeling that I know that guy  
I always knew I'd never keep you long

It's funny how times have changes  
It used to be me, it felt so strange  
I always knew I'd never keep you long

I love you as part of my life  
You know you're the one I adore  
It's simple but I've never made  
This mistake before

Won't you try to give me  
One more chance  
Even though you say it's lost romance  
I always knew I'd never keep you  
Never keep you  
Never keep you long

Understand what I'm trying to say  
I'm giving you my life night and day  
I always knew I'd never keep you long

#### DANCE DANCE DANCE

*Out-take, included as a bonus track on expanded de-luxe edition FIREFLY cd.*

Dance dance dance  
You've gotta keep on dancing

Dance dance dance  
You've gotta keep on

Really ??? you're bad news  
I don't think I can hear it any more  
Mister please don't play me  
No more blues  
If you will I'll walk  
Right out the door

It's from the first touch  
Of morning light  
My feet can't wait to hit the floor  
'Cause all I wanna do is  
Dance dance dance

## URIAH HEEP LYRICS 1968 - 1979

Sure there's times when  
I've been feeling down  
But the blues are never here to stay  
Just by putting an my moving shoes  
I dance my troubles right away

I warned you so, right or wrong  
Anything to keep my heart alive  
'Cause all I wanna do is  
Dance dance dance

It's a jumping jive my way  
Around the world  
And you'll always see  
A smile upon my face  
The rhymin' times  
I don't think they'll matter  
I can make my home almost any place

### PUT YOUR MUSIC WHERE YOUR MOUTH IS

*Out-take, included as a bonus track on  
expanded de-luxe edition INNOCENT  
VICTIM cd.*

If you're looking for money, sonny  
You better keep on running  
If you're looking for fame and fortune  
Watch out, you could get caught

It'll come when you least expect it  
You better be prepared  
I bet you feel rejected  
You've got to be aware

Put your music where your mouth is  
Show us you're a man  
Put your music where your mouth is  
Show us if you can

Now your life is your own puzzle  
All lies before your eyes  
My guess is it won't be too long  
You've got to realise

Put your music where your mouth is  
Show us you're a man  
Put your music where your mouth is

### INNOCENT VICTIM 1977

#### KEEP ON RIDIN'

Keep on ridin' ...

By tomorrow morning  
At the early dawn I gotta hit the road  
So long lady till another day  
Right now I gotta be movin' on  
There's another town and  
The singer needs a song

I know you're on your own  
I'll be back before too long  
I gotta do what I gotta do  
And you know how  
My heart loves to run, I gotta ride

Keep on ridin', keep on ridin' now

There's a city waiting  
And a railroad station  
Where my face is known  
And an old hotel that I know so well  
It's a little bit like home  
It's a situation not of my own choosing  
And though a gamblin' man  
Would say that I was losing

I started out to win and I'll do it again  
I'm never givin' in  
'Cause if it comes down to my heart  
Or to my pride, I'm gonna ride

Keep on ridin', keep on ridin'  
Keep on ridin', yeah  
Keep on ridin', keep on ridin'

And I know you say  
I'm driftin', driftin' on a dream  
You'd better watch your step boy  
It may not be what it seems  
I just can't shake this feeling here inside  
This heart of mine keeps tellin' me  
To ride, ride, ride

#### FLYIN' HIGH

I'm flyin' high  
And I know the reason why  
'Cause the wind of change  
Has blown my way  
And you love me as much today  
As I love you  
Honey, as I love you

I used to think  
That love was all so strange  
There was something  
That I used to ease the pain  
Though at times  
It seems it hurts to touch  
It's never gonna hurt as much  
As no love at all  
Honey, as no love at all

Flyin' high, it's a crazy feeling  
Flyin' high, 'cause  
I've learnt the meaning of love  
Flyin' high it's a crazy feeling  
Flyin' high 'cause I believe in love

I'm flyin' high  
And I guess I know the reason why  
'Cause the wind of change  
Has blown my way  
And you love me as much today  
As I love you  
Honey, as I love you

I'm flyin' high  
I'm flyin', flyin', flyin'  
I'm flyin' high  
And I know the reason

#### ROLLER

Oh where is she woman  
She's only here for the sun  
It's now you'll discover  
She's only here for the fun  
And who will move over  
Sweet talker choosin' her side  
And it's then, it's all over  
She's just along for the ride

She's a roller, she's just a roller  
Bet she'll roll her life away

One town is just like another  
One man will just never do  
Don't turn around  
When she calls out your name  
She's gonna break you in two

But she's a roller, she's just a roller  
Rolling time come today

One town is just like another  
One man will just never, never do  
Don't turn around  
When she calls out your name  
She's gonna snap you in two

#### FREE 'N' EASY

Ain't it strange that when you're onely  
And your friends they're not around  
So you make your big decision  
Get your feet back on the ground

When you're down  
And no one wants you  
And you wonder who you are  
When your friends they don't desert you  
When you make it you're a star

But I'm gonna stay free and easy  
I know just what I am  
I'm gonna be free and easy

Well, I've been through  
All the heartaches  
And I've been through all the pain  
But when you're up and riding high  
Everybody stakes their claim

I'm gonna be free and easy  
I know just what I am  
I'm gonna be free and easy

I'm gonna be free and easy  
I know just who I am  
I'm gonna be free and easy

## URIAH HEEP LYRICS 1968 - 1979

### ILLUSION

In a forest known as heartbreak  
In a clearing in the wood  
'Cross a pathway called confusion  
Toward the garden of delight

You'll reach the river of desire  
And meekly try and cross it  
While the valley of love  
Keeps avoiding you  
Because it's only an illusion  
Only an illusion

Upon the hill of high ideals  
You begin to wonder if it's real  
You are reaching sleep's oasis  
You begin to wonder how you feel

But it happens so quickly  
It doesn't fit into your scenes  
Tossin' and turnin'  
The star of so many scenes  
It's only an illusion  
It's only an illusion

### FREE ME

Free me, free me  
Why won't you free me  
Free me from your spell  
Come on and free me  
Why won't you free me  
Come on and free me  
Free me from your spell

Why should I worry  
That you might not love me  
You're not the only love  
That I've ever had  
Your sweet memory  
Will always comfort me  
So why should I be feeling sad

As far as I can tell you knew so well  
I was always at the end of the line  
I've loved you as much as any man can  
But not enough to make you mine

So long, easy rider  
I know I'll miss you for awhile  
But sooner or later  
I know that I'll forget you  
And I tell you babe

Free me  
Come on and free me  
Why won't you free me  
Free me from your spell  
Oh babe, free me  
Why won't you free me  
Come on and free me  
Free me from your spell

We let a good love die  
We let it pass us by  
Though you tried to keep me hangin' on  
But with all this doubt  
It'll never work out  
So tomorrow I'll be travellin' on  
And saying:

So long, easy rider  
I know I'll miss you for awhile  
But sooner or later  
I know that I'll forget you  
And I beg it babe

Free me  
Come on and free me  
Why won't you free me  
Free me from your spell  
Come on and free me  
I'm on my knees, babe free me  
Why won't you free me  
Free me from your spell

Oh babe, come on  
Come on and free me  
Why won't you free me  
Free me from this spell

### CHEAT 'N' LIE

Well, it seems to me  
That I've been cheated  
And it would appear  
That I've been lied to  
All the promises that you repeated  
Were never destined to come true

When I stop to think  
How I once trusted you  
It's harder still to bear this doubt  
I'm an innocent victim of  
Heartbreaking circumstance  
And I still can't get it figured out

'Cos all you did was cheat and lie  
Now you're gone and made me cry  
When my heart is heavy and  
I just can't get it straight  
Just the way you made me feel  
A wound that only time can heal  
Won't you take a little time  
To show me my mistake

'Cos all you did was cheat and lie  
Now you're gone and made me cry  
When my heart is heavy and  
I just can't get it straight  
Just the way you made me feel  
A wound that only time can heal  
Won't you take a little time  
You know you gotta  
Show me my mistake

### THE DANCE

See the picture in the hall  
Framed in magic on the wall  
Ain't it funny how it glows  
What's on the inside no one knows  
What makes this picture so inviting  
To those who stand outside it

Maybe it's the dancers  
Or maybe it's the dance  
The dancer dances

Thousands fill the gallery  
They pay their price to see a dream  
They can make believe for free  
Two hours' worth of fantasy  
Maybe they pretend the picture's them  
Or maybe they just love to sit and blend

Tonight the picture has no frame  
Colours unleash and float away  
To each and everyone of you  
Tonight the spirit brings the news  
You become a part of it all  
Thousands turn to one in the hall

You become the dancer  
And we become the dance  
The dancer dances

The dancer dances  
The dancer dances  
And we become the dancer  
And you become the dance

### CHOICES

I was walking all alone  
Through a sideshow  
With passion and pain on each side  
Something inside me was calling  
For a chance to stay alive

At the time I din't know  
What was calling  
As my head was buried in grief  
Today I heard what was crying  
My freedom calling me

And we all make our choices  
Like a blind man feels his way  
And the choice I've made is simple  
Passion over pain

When I got to the end of the sideshow  
And looked back to where I had been  
My eyes filled with  
Teardrops of loneliness  
For the ones who will never be free

I thought of the children in the sideshow  
As they wandered around so confused  
Some day they'll make their decision  
But which one will they choose

## URIAH HEEP LYRICS 1968 - 1979

And we'll all make our choices  
Like a blind man feels his way  
And the choice I've made is simple  
Passion over pain

And we'll all make our choices  
Like a blind man feels his way  
And the choice I've made is simple  
Passion, passion over pain

And we'll all make our choices  
Like a blind man feels his way  
And the choice I've made is simple one  
Passion over pain

### ADDITIONAL SONGS:

#### MASQUERADE

*Released as a single b-side, included as a bonus track on remastered INNOCENT VICTIM cd.*

A masquerade of dancing shadows  
Appear before me  
Through my mystic window  
And soon to be seen I saw presented  
Became a vision that I saw resented  
I stood and watched its image changing  
The unseen hand was rearranging  
And all the time I wondered  
How did it wind

Slowly, surely it unfolded  
Its simple lines just as  
A pole wind told it  
A temporary revolution  
My problems rose and fell  
With a lapse of illusion  
My mind was telling me, don't fight it  
It's just a hazard in the night  
Don't do those who've lost their way  
It's a masquerade

Masquerade, it's a masquerade

#### THE RIVER

*Out-take, released for the first time on A TIME OF REVELATION compilation. Included as a bonus track on remastered INNOCENT VICTIM cd.*

River, rising to hide across the midnight  
Wanderin' westward by daylight  
Take us and lead us to tomorrow  
As fast as you come and can flow

River, you're windin'  
An unending rhythm  
The sooner keep movin' to warn him  
The spirit that keeps us from sinking  
Guide us from going astray

Point us a way to a shoreline ahead  
Through the mist and the fog  
Of this valley of death  
Too many years we have  
Walked in a sleep  
Now we're awoken and ready to flee

River, we hitchhikers beggin' for mercy  
Survive us from yesterday's curses  
Don't damn us before you receive us  
We're needin' your face and your trust

#### FALLEN ANGEL 1978

#### WOMAN OF THE NIGHT

Ride along lady woman of the night  
Looking for a place to go  
Dancing on storm clouds  
Hiding from the light  
Looking for an easy Joe  
You just wanna play around

Searching for a higher ground  
Walking every side street  
Kicking up the leaves  
Running from the pouring rain  
Standing on the corners  
Shaking from the cold  
Only got yourself to blame  
You just wanna play around  
Searching for a higher ground

Someone who could make you happy  
Someone who would care  
You've broken your life beyond repair  
You're reaching for every rainbow  
You're wondering why  
Don't reach out for love 'cause it's a lie

You've got your number on the wall  
Of some deserted station hall  
Is this your only claim to fame  
Will you just play your waiting game  
But you won't stop the things you do  
Some night the evil get to you

#### FALLING IN LOVE

Falling keep on falling  
Keep on falling love

Now I don't mind  
All this running around  
Seems I've been doing it  
Most of my life  
My music's been kind  
But some days I find  
It brings me two kinds of trouble  
And three kinds of strife

So don't try to compare it  
'Cause I just want to share it  
With some people I like to call friends  
There ain't nothing bad and  
No need to feel sad  
And there's certainly no need  
To make amends

It won't do you no harm and  
There's no cause for alarm  
I won't be praying for help from above  
If the only thing wrong  
With rock and roll  
Is that I keep on falling in love

If the only thing wrong  
With rock and roll  
Is that I keep on falling  
Keep on falling  
Keep on falling in love

#### ONE MORE NIGHT (Last Farewell)

One more night ...

City lights are burning in the distance  
Seems they're tellin' me to hurry home  
But I can't push these  
Wheels of mine no harder  
So hold on baby for  
One more night alone

There's time for me to take just  
One look over my shoulder  
One last glance at what's been going on  
'Cause I'll be there at  
First light in the morning  
We'll pick up the pieces  
And baby, then we'll be long gone

Pick up the pieces and run with me  
As fast as you can  
You know you always said  
I was the man  
Pick up the pieces, let's do it now  
Let's say our last farewell  
Tomorrow may be too late  
As far as I can tell

#### PUT YOUR LOVIN' ON ME

Lady oh lady, you're driving me crazy  
You brought out the devil in me  
You turned on my fire  
With words of desire  
You sure put the lovin'  
Sure put the lovin' on me

## URIAH HEEP LYRICS 1968 - 1979

You're sending me reeling  
With love that you're giving  
Spinning my poor heart around  
The feelings that should be  
Have finally saved me  
You sure put the lovin'  
Sure put the lovin' on me

Ain't no use in trying  
I never would deny that  
I love you love you  
Ain't no doubt about it  
I just can't live without it  
I love you love you  
Yes I love you, I really love you

Don't know what it is  
That you're putting down  
I only know it ain't no game  
I only know what you're doing to me  
And baby you're the one to blame

Lady oh lady, you're driving me crazy  
You're flying me high with your eyes  
There's no use in trying  
Ain't no use denying  
You sure put the lovin'  
Sure put the lovin' on me  
Yes, you did  
Sure put your lovin'  
Sure put your lovin' on me

Put your lovin', put your lovin' on me

### COME BACK TO ME

Alone again, I feel so alone again  
With this emptiness I just can't hide  
Picture me with a broken heart  
See the tears run down my face

Everything I had has gone  
Everything is gone  
Loneliness still lingering on  
Everything I thought was mine  
Come back to me  
Can't we try it one more time  
Come back to me

I know I'll find another love in time  
But you'll always be there  
In the back of my mind  
The power of love can bring such pain  
I still love you, I just love you

Alone again, I'm so alone again  
With nothing but you on my mind  
Can't you see  
What you've done to my life  
What can I do to  
Win you back again

### WHAD'YA SAY

Whad'ya say ...

Lady you're tyin' me down  
Turning my heart to stone  
And I can't help feeling I'd be better off  
Back out in the streets alone

Baby you're hurtin' me  
Deserting me again  
I looked for your loyalty  
And found a fickle friend

We could try to get back  
On the right track baby  
Or leave it, just throw it away  
We could pick it up, pack it up  
Make up or break up, let's try it again

Faced with this situation  
There's two things we can do  
A lot of it is up to us  
But most of it's down to you  
You know we shouldn't play with love  
It's a dangerous thing to do  
So let's not get agony  
And ecstasy confused

### SAVE IT

Save it, save it, save it all for me ...  
Save it, save it  
You've gotta save it all for me

Gonna take my heart and my soul  
And lay it onto someone's daughter  
Gonna give out all that I got  
To the woman who sits by the water

Gonna spend the rest of my time  
With the woman by the winding river  
Gonna let her know that I'll give her  
All that I got forever and ever

She knows what I like  
She knows what I need  
And babe let me tell you  
She'll give it all to me

### LOVE OR NOTHING

You gotta make up your mind  
'Cause you're running out of time  
You know it's your game  
And the winner takes all  
It's time for you to realise

There's gonna be no compromise  
It's gotta be love or nothing at all

It's gotta be love or nothing at all

I've thought about a new beginning  
But you know your heart's not in it  
There's something inside  
That ain't hearing my call  
And each new misty morning  
Brings a constant warning  
It's gotta be love or nothing at all

It's gotta be love

You give me your love or nothing at all  
You give me your love

It's no good climbing in the back seat  
In the name of love  
Or tryin' to be somebody  
That you know you're not  
Sneakin' out the back door  
At the dead of night  
'Cause you're never gonna find out  
What it's really like

### I'M ALIVE

How strange when you know the feeling  
That something ain't right  
You're fooled by the need of being  
You're blind to the light  
Don't ask where the stranger leads you  
He'll show you the way  
Just go out and make your conquest  
You've something to say

I'm alive, I'm alive and I'm me  
I've just got to be free  
I'm alive to the world

There's been so much bad time wasted  
Just look and you'll see  
We've got so much going for us  
It's not just a dream  
Let's look and we'll find the answers  
To questions I've made  
We'll reach out for new beginnings  
Let love show the way

Let's leave our past behind  
The love can make us blind  
But now we know that we're alive

### FALLEN ANGEL

Fallen angel ...

Everyone I see reminds me of you  
I keep turnin' round  
Expectin' you to be there  
I keep seein' our past  
Through my looking glass  
But fallen angel, where are you now

After all these years  
I remember the tears  
When we parted you said  
Don't forget me  
You were ridin' so high  
Now they're passin' you by  
Girl I've never forgot you  
Please come and get me

## URIAH HEEP LYRICS 1968 - 1979

Livin' without you is  
Hard enough anyway  
But knowin' you're hurtin'  
Makes it so much worse every day

I just wanna love you any way that I can  
And watching you cry wasn't  
Part of my plan

Tell me how did it feel  
In your promised land  
That you chose as  
Your pain and your pleasure  
A temporary sanctuary  
Oh fallen angel, I'm your real treasure

### ADDITIONAL SONGS:

#### CHEATER

*Released as a single b-side, included as a bonus track on remastered FALLEN ANGEL cd.*

Cheater, I know where you've been  
Cheater, your lies can't hide your sin  
Cheater, don't ask me how I know  
Cheater, I guess it's time for you to go

I'm tired of chasing shadows  
So illusive in the night  
And your empty words  
That leave me high and dry  
Now the curtain's finally fallen  
On this fantasy affair  
You've had me for the last time  
With your lies

Cheater, you're a cheater  
I know where you've been  
Cheater, your lies can't hide your sin  
Cheater, don't ask me how I know  
Cheater, I guess it's time for you to go

The voices in the wind I heard  
Kept telling me to run  
Whispering a warning to my heart  
And the voices deep as thunder  
Tried to speak of things to come  
I was blinded then  
But now I see the light

Cheater, you're a cheater  
And I know where you've been  
Cheater, mean mistreater  
Your lies can't hide your sin  
Cheater, don't ask me how I know  
Cheater, I guess it's time for you to go

#### GIMME LOVE

*Released as a single b-side, included as a bonus track on remastered FALLEN ANGEL cd.*

Love, love, love  
I'm looking for love  
Love, love, love

When I was only sixteen  
Well, give it take a year or more  
I've got to singing about  
The life I've lead  
And I threw it right out of the door

I've got to get some of that heavy jive  
That the old folks are talkin' about  
So I strutted my stuff to the local club  
To see what I was leaving now

Looking for love, love, love  
Looking, looking for love  
Love, love, love

I took my seat at the foot of the stage  
And waited for the fun to begin  
And there in the light  
Stood this heavy chick  
With the cutest babe that I've ever seen

She smiled at me, she did her dance  
Took me by surprise  
The way she wiggled her hips  
And she shook that ...  
Right between the eyes

After the show she came and sat down  
Said: Hi son, what's your name?  
I said: Never mind that, think about this:  
Loving's the name of my game

She said: That's alright  
But it'll cost you, son  
I said: Tell me what's  
The price of the day  
She said: Twenty dime  
And a wedding ring  
And everything will be O.K.

#### A RIGHT TO LIVE

*Out-take, released for the first time on A TIME OF REVELATION compilation. Included as a bonus track on remastered FALLEN ANGEL cd.*

I must thank Lord  
In my hour of need  
I've given way to a better man  
But I ain't been free  
To push the hour here  
In this soul of mine  
I've burned my bridges  
And I'm satisfied

The preacher's due here  
In an hour or so  
To give me reasons for  
The things I know  
I might have been careless and I  
I might have been blind  
If I'm the guilty, I'm satisfied

Oh woman, why did you  
Do me wrong?  
Sending me down and  
I just can't get along  
When daybreak comes and  
I've reached the end of the line  
I have a right to live  
And I'm left to die

It all seems so hazy now  
It seems so long ago  
She hid the things she'd done  
Or things I should know  
What was I to do for  
The hurting here inside  
I kill for love but the ...

I have a right to live  
When I'm left to die  
Oh, woman  
I have a right to live ...

#### "FIVE MILES SESSIONS" 1979

#### LET IT RIDE

*Out-take from 1979 "FIVE MILES" sessions, released for the first time on A TIME OF REVELATION compilation.*

Before I leave town today  
Well, there's something that I wanna say  
That you regret the stormy night  
You put your eyes on me

Well, you cheated on me and you lied  
And I must've had that a thousand times  
But I'll be comin' back one day  
Just you wait and see

Oh, yeah, let it ride, let it ride  
Let it slip, let it slide  
Ride the night away  
Let it ride, let it ride  
Let it slip, let it slide  
'Cause I'll be coming back to stay

This time you could've let me live  
But there's nothing more that I can give  
You've stolen every day in my life  
And then you threw it away

## URIAH HEEP LYRICS 1968 - 1979

This train I'm gonna ride tonight  
Is gonna carry me right out of your sight  
But I'll be comin' back some time  
And then you're gonna pay

Oh won't you take me tonight  
Won't you carry me right to the top  
Taking me higher  
You carry me through  
The things that you know  
To the end of the line  
How much higher?

The last lap is mine  
It's too long as they say  
You know it's just what will be  
As you've wavin' goodbye  
Keep rememberin' why  
The devil that got you was me

You're the city where I wanted to be  
But the lonely spell you put on me  
It's time for you to realise  
That there's just no way

### YOUR LOVE

*Out-take from 1979 "FIVE MILES"  
sessions, released for the first time on A  
TIME OF REVELATION compilation.*

Your love ...

I've got to do it  
Gotta find a direction in my life  
You can't have me through it  
I know that you do it but it's my fight

Why don't you leave me alone  
To drive down this windin' road  
I'm alive  
It just doesn't feel the same  
For my love for you has changed

But your love, it never leaves me alone  
For your love, is in the world of its own  
But your love, it never leaves me alone

You're sayin' that you need me  
But the words don't come easy  
Just hold on  
I know that I lied  
When I told you goodbye  
Just keep hangin' on

Time won't keep waiting'  
I've gotta do something with my life  
You can't have me through it  
But I know that do it  
But it's my fight

### FEELINGS (vocals John Lawton)

*Out-take from 1979 "FIVE MILES"  
sessions, released for the first time on A  
TIME OF REVELATION compilation.*

Feelings, empty feelings  
Prayin', hopin', needin'  
Just when I wanted to hold you  
You're leavin', you're leavin'  
Leavin', leavin'

When we meet every night in the bar  
If I'm feelin' alright  
We'll get high in your car  
Then come morning  
And you will be gone  
You're my five-minute friend  
And you've gotta move on

And you don't stop me  
Thinkin' my feelings  
And I'm hidin' the hurtin' inside  
And I know how you  
Set my heart reelin'  
As I see it and swallow my pride

Well, either you don't give a damn  
Or you don't even care to pretend  
Or you won't spare a thought  
Though you know  
It must come to an end

And I've got those feelings ...

### BEEN HURT (vocals John Lawton)

*Out-take from 1979 "FIVE MILES"  
sessions, released for the first time as a  
bonus track on remastered FALLEN  
ANGEL cd.*

Whoah, don't you know I've been hurt  
Oh yeah, don't you know I've been hurt  
Oh babe, you know  
You're doin' me wrong, yeah

At the age of eighteen I had had enough  
And by twenty one  
I decided to get tough  
And then I found the guard  
Was still too rough

Oh yeah, I've been hurt  
Ever since that day  
I've been hurt and I've lost my way  
I still think I have a chance  
To try your love

Well, I tried to love you  
One day at a time  
Each day waitin', hopin' for the sign  
It was clear I needed luck  
More than this time

My empty heart is countin' all the ways  
Fire and desire, sat and count the days  
Will you, won't you, when and where  
Do you, don't you, do I care  
That same eternal question  
Is always there, it's always there

### I WON'T CHANGE

*Out-take from 1979 "FIVE MILES"  
sessions, released for the first time on  
CHAPTER & VERSE compilation.*

Don't keep me running around  
I'm trying to keep my feet on the ground  
Stop filling my heart with empty dreams  
'Cause deep down I'm a regular guy  
I laugh a lot but I know how to cry  
I don't wanna be anyone else but me

And I won't change  
I just try to stay the same  
And if you feel a difference  
It's in what you choose to see  
Some of those changes  
Were a little too hard for me  
So I pray my love will see me through

Next step isn't easy to find  
'Cause with all this love on my mind  
All that I can think about is you  
If all you're asking is a little more time  
If all you need is to make up your mind  
I can only remind you that I love you

All I ever think about is you
